# LEMON GROVE REVIEW

Vol. 10; No. 23 | LEMON GROVE, CALIFORNIA | THURSDAY, JANUARY 23, 1958 | 10¢ Per Copy

## The Dimmer VIEW

By MAX GOODWIN

Life is full of miscalculations and errors!

After a month of ribbing the school district for calling the new school on Palm STREET the Palm AVENUE school, we fixed it good by referring to it in a front page story last week as the GOLDEN Avenue School.

This was the same week for three other little tragedies that touched our existence.

Our clean-up boy, Lewis, the youngster who earns all those plaques for public speaking (he won a national honor last year) stepped off the ladder into the bucket of water he was using to wash the office windows last week.

It was then that I learned that our inestimable pressman, Mr. Edward "Shorty" Holmes who has been running presses upwards of 50 years, forgot to put the lid on a keg of press ink the same week. He uses the keg to step up to his platform atop the press. Shorty spent a couple of hours and a can of gasoline trying to get the viscid stuff off.

I think the one to take the cake happened the same day as Shorty's disaster, at the ground-breaking ceremonies for the second Colorado River aqueduct north of Escondido.

Fred Heibron, chairman of the County Water Authority got into the power shovel for the first and historic bite of earth. He pulled the wrong lever. It took the workmen the rest of the day to repair the bucket and untangle the cable which Heibron broke, my informant tells me.

Not only that, Heibron was supposed to touch off a stick of dynamite as another part of the same ceremony.

That part they cancelled.

---

That utility pole in the middle of the post office parking apron is back in the news this week.

An unidentified motorist drove into the guy wire in front of 7931 Broadway and caused two of the connecting wires to touch, burning one apart. The wire was draped across the hoods of autos when repairmen came.

Luckily the wire which fell was the "neutral."

If it had been a "hot" wire it is possible that damage, injury or even death might have resulted. It might have fallen across the auto in which your children, or your mate, or your parents might have been.

The San Diego Gas and Electric Company up to now has refused to move those two nonsensical poles that have become the beacon of community disrespect to shoppers and postal patrons. SDG&E knows better than most the deadliness of a fallen "hot" wire. It is ironic that they would not condone this dangerous condition on private property yet play a lethal game of chance in the most used public parking area in Lemon Grove.

**R. J. Phillips, vice president of the San Diego Gas and Electric Company said Wednesday that the Public Utilities Commission in L.A. was sending an engineer to Lemon Grove this week on Thursday to investigate a complaint on the utility poles in the post office parking area. The complaint was lodged by Robert Vaught of L.G. Camera in the interest of local shoppers.**

An electrocuted child, a burned human, or damaged personal property is too high a price to pay for this obstinacy. Community interest, if not humanics, ought to encourage SDG&E "top brass" to want to correct this dangerous situation.

---

George Scott made a remarkable offer to local business people at the chamber of commerce installation Monday night, but then Scott is a remarkable fellow.

He told, as he unfolded the mechanics of putting the $14-million College Grove shopping center together that he did it with only $25,000 of his own money.

(Continued on Page 12)

ENGAGED — Mrs. Betty C. Leach, 2424 Washington Avenue announced the engagement of her daughter, Linda Louise Leach to Mr. Theodore Dolson Fritzges, son of Mr. and Mrs. R. T. Fritzges, of 3471 Ybarra, Spring Valley.
Miss Leach was graduated from Helix and Fritzges from Grossmont. The bridegroom-to-be is presently attending State College at night.
Wedding ceremony will be held at the Weslyan Methodist Church in El Cajon March 2.
Miss Leach is the daughter of the late Charles R. Leach.

## JR. COLLEGE ELECTION OFF BECAUSE OF HIGH TAXES

The Grossmont High School governing board Monday night rescinded its previous action calling a junior college election.

Lewis Smith, district superintendent, said that an increase in the estimated tax cost caused the board to back down on the junior college action.

He said that they had not considered that many students are attending other junior colleges and that the Grossmont junior college district would be called upon to pay the tuition of district students attending colleges outside the district. This could result in a tax increase of 31 cents the first year and 41 cents the second year. Original estimate was 14 cents, Smith said.

Smith said that if federal impact funds were lost, school tax rates in California would be increased as much as 35 cents next year. Smith said there is a possibility that these funds would be dried up.

The need for a junior college is still urgent, Smith said and the district has an 82 acre site nailed down in El Cajon. An election, he said, might be held as late as January 31 1959 and still meet the original schedule should some way be developed to make a junior college feasible.

## Nagel To Talk At Men's Club

The Lemon Grove Men's Club Friday heard Dudley Lapham, new city manager of the city of La Mesa tell of the forces which make for a council-manager form of government.

Lapham has been manager of La Mesa for only six weeks and his talk was in generalities except to say that the city council had been instructed to study the possibility for expanding the council should a large annexation take place . . . Lemon Grove, for example.

Men's Club president Bill Parker said that Miles Nagel, former mayor and present councilman of La Mesa would be the speaker. Nagel was instructed by the rest of the councilmen to invite Lemon Grove to annex. Invitation is to be made through the Lemon Grove Chamber of Commerce.

Nagel, said Parker, will speak on that subject Friday. The club meets every Friday at noon at Michael's. Meetings are open to the male public.

## Retired Game Warden Passes At 74

Thomas J. Smith, 74, of Potrero, well known in hunting and fishing circles, died Monday.

Smith is the father of Mrs. Francis Faucher, who is wife of the Lemon Grove Postmaster. He had lived in San Diego County 39 years and served as Fish and Game warden for 20 years before he was retired. He joined the commission in 1932 after coming here as an electrical contractor in 1919. He served as a warden with the commission in San Pedro and Ventura before returning here as head of the office in 1939.

He was one o the organizers of the Fishmongers Club and was a member of Al Bahr Shrine Temple and the S. W. Hackett Lodge, F&AM.

Services are being held Thursday at 10 a.m. at Conrad Mortuary to be followed by interment at Greenwood.

## Mrs. Fry Dies While Visiting Neighbor

Mrs. Clifford (Isabelle) Fry, 55, of 7838 Alton Drive, died Monday while viiting a neighbor's home. She had not been ill prior to her death.

Mrs. Fry is survived by her husband and a daughter, Mrs. Dorothy Gretz, of South Bend, Indiana.

Services will be held in Cedar Rapids, Iowa. Local arrangements were made by Conrad Mortuary.

## LETTERS TO THE EDITOR

In connection with the raising of funds and at the same time arousing the interest of the man with the pay-check it might be interesting if the chamber of commerce sponsored a name changing contest.

I am sure that the lemons will not object to the change of Lemon Grove to some dignified name like Sputnik. At the same time our inefficient postal system, Lemon Grove postoffice excepted, would no longer send Lemon Grove mail to Lemon Cove.

Each one who would want to nominate a name for the newly incorporated city would pay, say $5 or 10. Then after considerable number of names were proposed they would be duly advertised in the local paper and those wishing to vote for a new name would send in a dollar. This would give every citizen young and old an opportunity to actively supporting incorporation. These who do not want the name Lemon Grove changed would simly nominate Lemon Grove for their name and vote accordingly. Thus the sentimentalists who usually stand in the way of progress will have an opportunity to pay for their sentimentalism and thus aid progress for once.

Sincerely yours in Christ,
Aloysius H. Seubert. JMJ

---

Dear Editor:

It's about time something is done about those poor dogs that have been poisoned lately near the Kenwood and Bancroft area in Spring Valley.

Leonard Hayes' dog I knew slightly, but he was a swell dog and a great friend of the Hayes' children. But J. C. Danner's dog "Major" I knew real well, and I considered him one of my best friends. He too was a real pal of the Danner children and of Mr. and Mrs. Danner.

All the other dogs poisoned were pals of their families and children. The heart aches must have been almost unbearable.

When I was told by a friend of mine in Spring Valley about my old friend, "Major" and Leonard's dog, both poisoned the same day, the bottom seemed to drop out of everything for a few minutes. I couldn't believe my old friend was dead.

In conclusion, I wish to say to the one or ones who had a hand in this, that "You are worse than a skunk and lower than a rattlesnake. Why? Because a skunk will give you a chance if you don't get too close to him, and a rattlesnake crawls on its belly and you can't get lower than that. A rattlesnake will warn you with its rattles. You were so rotten and sneaking, you didn't give your victims a ghost of a chance.

"When you kick off, where do you suppose you will go? I'm sure there are no dog poisoners in Heaven and none in Purgatory. And as bad as the Devil is, he won't want you in Hell.

"If there is a dog Heaven, Major and the other dogs you poisoned are up there praying for you, according to what the Good Book says, 'to pray for your enemies.' I'll say a few prayers for you myself and ask the Good Man Above to soften that heart of stone you carry around in your carcass, so you won't poison any more poor dogs."

Lemon Grove, Calif.
Mike Krauss,
P. O. Box 82.

# SCOTT SETS CENTER'S START DATE AT CHAMBER INSTALLATION

Members and friends of the Lemon Grove Chamber of Commerce turned out to the the capacity of the banquet room at Michael's Monday night to see new officers and board members installed.

Ernest Newton, Lemon Grove Stationers was installed as president by Robert L. Black, president of the San Diego Chamber of Commerce. Black also installed Wallace Dorman, vice president and six directors. They are Kenneth Barwick, attorney; John Burris, druggist; F. R. Faucher postmaster; Bill Parker, Telco official; Robert Vaught, camera shop operator; Bill Vandenberg, dry cleaner, and Bud Young, gasoline station operator.

Retiring president W. Earl Smart reviewed last year's accomplishments, and failures. Accomplishments outweighed the failures by a considerable amount. Membership increased from 90 to 133, Smart pointed out. The invocation was given by the Rt. Rev. John McDonagh, pastor of St. John of the Cross Church.

Speaker was George Scott, president of the Walker Scott Co. and developer of the $14-million College Grove Shopping Center.

Scott, a board member of the Lemon Grove Chamber of Commerce said that ground would be broken on the sprawling 70-acre center site in March. The center will be opened in 1959, he said.

"Not only will we be opening then but we will be opening in the greatest boom period in San Diego's history," he said.

Scott pointed out that extensive surveys had been made by his firm and they showed the market area to be withing a five mile radius. This touches La Mesa, covers Lemon Grove, Spring Valley and Encanto, he said. From this area the Walker Scott store would do $7½ million-dollars in retail business the first year, he said. The entire center would gross $22½ million the first year, he estimated. Scott said that 68 per cent of the square footage available at the new center has already been leased.

Scott said that a strong community is needed alongside San Diego and it is up to the merchants to develop Lemon Grove. He admonished local businessmen "not to indulge in hand-wringing but to try hand-joining" to provide a stronger community and a more successful one. He cited the increase in downtown retail sales after merchants got together following the opening of Sear-Rebuck store in University Heights. This development had made hand-joining urgent because the Sears store has the highest retail volume per square foot of floor space of any Sears store in the U. S. Scott said.

"So certain am I that we will all be successful together that I will buy as an investment any business in Lemon Grove which has a sound business foundation," Scott said.

Scott said that the average income in Lemon Grove area is $500 a year higher than the county average. He also pointed out that the center will serve 194,000 persons. "When we opened the Walker Scott store downtown there were only 168,000 people in the entire county," he said.

**NO TAKERS**

**"I meant what I said when I offered to buy any sound business in Lemon Grove," he said.**

**At press time Wednesday, not one offer to sell had been made to George Scott by any Lemon Grove business firm.**

## Rose Eckleben Dies At 47

Mrs. Edward Rose Eckleben, 47, of 3261 Buena Vista Avenue, died January 14 in the La Mesa Community Hospital. She is survived by he husband and a son, Robert, all at the same address.

The family have been living in the Lemon Grove area about one year, having come here from Rochester, N. Y.

Services were held at Conrad's Mortuary followed by interment at Mt. Hope Cemetery.

## Grove Boy Takes Top FF Honors

STATE CHAMP — James Dyer, agriculture director at El Cajon High Schol (left) and Vernon Mayes, Future Farmer, a senior at E.C. High, display trophy won by the school as tops in state-wide co-op competition.

A Lemon Grove boy, Vernon Mayes, a senior at El Cajon High School (a Future Farmer) has been declared winner in a state-wide co-op contest in which some 5,000 boys participated.

The contest, sponsored by the Agriculture Council of California, requires the contestants to answer questions regarding co-operating marketing, and is based on a point system. The contest started in November 1957 and lasted until December 6, in which intervals contestants were eliminated until the final date. Results were made known to the contestants on January 6, 1958.

Up until the time the results were given, it was belived that young Mayes and a schoolmate, Al Ludwick, were tied. A recheck of test papers, however, indicated Mayes as winner. He received a ribbon.

The El Cajon High School was also winner over all high schools in the state having agricultural activities. The school received a trophy.

Future Farmer Mayes, by winning the contest, is entitled to an all-expense trip to a Co-op convention at the University of Pennsylvania, in the near future. Teacher Dyer is also entitled to the same privilege.

Vernon Mayes is the son of Mr. and Mrs. V. O. Mayes of 3275 New Jersey Street, Lemon Grove.

PASSED! Fritz Jessen, son of Mr. and Mrs. Alex Jessen, of 2654 Buena Vista was one of the 170 youngsters to take the Bicycle Safety Test Saturday at San Miguel School. Bicycle Riders' Licenses were issued to 152.
Another test will be run off next month for those who failed The test stressed bike-handling ability and bike safety.

## 'Fairy Tales' Theme of Pied Piper Parade

The first annual Pied Piper Parade of Lemon Grove will have "Fairy Tales" for a theme, it was announced this week by Dr. Robert Burns, president of the L. G. Swimming Pool Association, sponsors of the event.

The theme, he said, was chosen because of the great appeal it would have among children, and because it allowed enough flexibility for all groups to enter floats should they wish.

Mrs. Carl Piepenbrink, parade chairman, said that it is hoped that every club in the area would supply a float of some sort when the parade is run off on May 23.

The parade will also kick-off the annual swimming pool carnival which will be held on the junior high school play grounds, she said.

There will be no restriction on size or shape of floats, she said. Dr. Burns said that aid and assistance would be given to any group who desires to enter a float and who does not have enough material or manpower.

# CHAMBER TAKES CLOSER LOOK AT $25,000 TAB

The Lemon Grove Chamber of Commerce took a second look at The estimated $25,000 cost of bringing the issue of incorporation to vote at its Thursday meeting and split on an agreement to go on the hook for that amount which community developer, John Johnston of Long Beach said would be the tab for bringing about an election on incorporation in a political atmosphere that would give the issue its best chance of passing.

Chamber president Ernest Newton went around the board, member by member, hearing out the approbation and complaints.

Past president Earl Smart said that the advisory committee would oppose incorporation if the cost was $25,000. He said that he had been informed that the committee favored incorporation as previously announced, but under a low cost program.

He offered a motion to turn the issue back to the Development Committee to resolve but it was defeated.

President Newton said that meetings would continue every Thursday at noon until plans, one way or another, were crystallized. (A breakdown of expenses under Johnston's program was listed in this newspaper last week.)

Another chamber meeting is scheduled this week on Thursday at noon at Michael's

# HANSEN MAY TAP FAMED SWEETWATER SPRING FOR SPA

by H. A. Thomas

A spring, which has played an important role in the history of Spring Valley, as far back as 1887, may attract nation-wide attention this year.

The spring, which has been analyzed as having health-giving properties, is located south of Sweetwater Springs Boulevard, and just west of Jamacha Boulevard, near the La Mesa airport.

In 1887 the spring was found to be healthful by an ailing sea captain from Wales, after he had sailed around the Horn and his crew had fallen victims to the dreaded scurvey. He himself had come ashore at San Diego, and was under the care of a San Diego physician. The physician had recommended that he drink plenty of spring water. Wandering thru the back country the captain had secured a job on a ranch near the spring, and he was reportedly cured after drinking of the water for several months.

The spring has a long history, having changed ownership several times, and its water at one time being shipped to many parts of the world.

Fred J. Hansen, a noted local developer, is now the owner of the spring. Hansen is responsible for the development of Calavo Gardens and other projects in the area. He also played an important part in getting started the now being developed La Presa Irrigation District.

How will the spring be a nation-wide subject this year?

Hansen has definite plans for a spa in that area. A drawing for the development has already been made by Glenn Rick, head of a San Diego engineering and development concern.

Hansen said last week that work on the spa (Sweetwater Ranch) will begin this year, as soon as the La Presa Irigation District has secured its water. Contracts for the pipes and reservoil, will be let in the next two weeks.

Plans for the spa include an air-park for planes (there is now a 50 acre airport, known as the La Mesa Airport), a trailer park, a shopping center, a professional center, a nine hole golf course (maybe 18 holes), a country club, a resort area (around the spring), an elementary school, a high school and many homesites.

Three highways will be located on the project. The Spring Valley sewers will be brought in as will water from the La Presa Irrigation District.

As to the healthful waters of the spring; people will not only be permitted to drink it, but will be able to bathe in it.

As for the water supply for the hundreds of homes that are to be built in the area of the spa; Irrigation District plans call for a million gallon reservoir to be built soon, and three more in the near future.

The homesites in the area will have wide frontages, Mr. Hansen said. He pointed out that people are moving to the rural areas, so they will not be jammed up against their neighbors, and these homesites will give them plenty of room. He said there will be no more than four houses to the acre.

But back to the spring. Your reporter spent about three hours last week in the area of the proposed spa. He tasted of the water, and it seemed to him (as a novice) to contain several medical elements . . . and the taste was very pleasant.

The stream from the spring runs into two small lakes, then on to the Sweetwater reservoir, and at a very fast clip. It is and all-year-round stream, with and unlimited supply. Mr. Hansen said he has been told by enginetrs that the spring may be the result of an underground stream from some far off place.

Why isn't the water being shipped out? Mr. Hansen said he feels it is better to bring the people to the water than the water to the people. He feels a health resort in Spring Valley would be a big step toward the development of the area.

ENGAGED — Mr. and Mrs. Lawrence F. Runnels of 4445 Dale Avenue, La Mesa, announce the engagement of their daughter Edna Leone, to Earl William Casner of Spring Valley. Mr. Casner, now in the U.S. Navy, is the son of Mr. and Mrs. Earl A. Casner of 3608 South Granada Street, Spring Valley.
Miss Runnels is a graduate of Helix High School, class of 1956. On a scholarship she has been attending the Baldwin Wallace Conservatory of Music, at Virla, Ohio.
Mr. Casner is a graduate of Grossmont High School, class of 1955. Both he and Miss Runnels played in the bands of their respective schools.
The wedding will be at the First Methodist Church of La Mesa, sometime in February.

## What's Doing At Mt. Miguel

by Mary Conlee

The first semester at Mt. Miquel officially ends Friday. A strenuous finals week has been endured by all the Matadors.

—Mount Miguel—

The senior play committee headed by Judy Thompson has announced it will feature the play "Ten Little Indians." The play will be given in May. Tryouts for parts will be held in the next two weeks.

—Mount Miguel—

Gloria Castellanos, senior banquet committee chairman, has announced the senior banquet will be hed March 28 at the El Cortez Hotel. The price will be $2.75.

—Mount Miguel—

Three senior boys have passed the NROTC scholarship tests. They are: Dick Cook, Roger Humphrey, and Dennis Lake. They are to report for their physicals in Los Angeles on January 30.

—Mount Miguel—

Nancy McCaslin, who is secretary of the Sophomore Y-Teens, has won the YWCA Scholarship Fund Award given by the American Friends Committee. This award will permit her to attend the Camp Asilomar for a statewide YWCA conference on civil panels. This conference will be hed February 21-23 and will feature United Nations speakers.

—Mount Miguel—

Janine Patrick, senior has won the Betty Crocker Homemaker of Tomorrow contest at Miguel by receiving the highest score in her written exam. The paper will be entered in the statewide contest with other papers from the San Diego area. The winners will compete for national honors.

—Mount Miguel—

Five Miguel choir members have been selected to sing with the National Chorus, which will perform for the Music Educators Nationa Convention in Los Angeles between March 21 and 25. Those who will sing are: Ellis Edenfield, Pat O'Gara, Ron Homuth, Celeste Loustalet, and Karen Pitchford.

Four band members were also chosen to participate in the National Band. They are Janice Hoskins, Larry Gale, Waren Carnie, and Beth Truex.

—Mount Miguel—

The wrestling team defeated Grossmont 23-13 lat Friday at Grossmont. The basketball team lost to Chula Vista 65-48 at Chula Vista. The basketball team will vie with Helix this Friday at Miguel.

### SCHOOL BOARD TO GET BUS REPORT

Lemon Grove School Board members will receive a district report on the maintenance and storage of school buses at the January 27 meeting at the Education Center on Lincoln Street. Beginning at 7:30 p.m., the meeting will also include the selection of a building inspector for the proposed San Altos School and a report on bidding dates and construction schedules for it. The San Altos School is tentatively scheduled for completion in September of this year and would relieve double sessions throughout the district.

## Two Events Set For Polio

Two major events will spark the 1958 March of Dimes push in Lemon Grove this week according to Charlie Krause, local campaign chairman.

Lemon Grove VFW Post 20 will run a "road "block" all day Saturday, Krause said. Motorists will be asked to make contributions as they slow down going through the business district. Local Boy Scouts will assist in the project. Heading up the project are the top VFW officers. They are Arthur Brack, post commander, Raymond Clark and Larry Basque, senior and junior vice commanders respectively.

Post members pointed out that this is one of the seven projects the Post takes on each year. The others are the Swimming Pool project, Youth Center control board, Little League, Civil Defense, Boy Scouts, and Volunteer Fire Department.

Krause said that ten Brownie troop of Monterey Heights would conduct a balloon sale Saturday in the business district of Monterey Heights. Mrs. Leo Zent, Neighborhood chairman is in charge of the girls. Last Saturday Boy Scouts collected $140 in Lemon Grove on a similar sale.

☆ Exports totaling 74,715 tons moved outbound to world ports from the Port of San Diego during Fiscal 1957.

## Lay Off 200 Employes At Camp Pendleton

Camp Pendleton, (Spcl.)—Rising labor cost has been cited as the reason for a planned reduction of 200 civil employes at the Marine Corps Base, Camp Pendleton. The separation, scheduled to take place during the next three months, will lower the total number of civilians employed by the Marine Corps Base from 2149 to 1949. Prior to taking this action, the Commanding General at Camp Pendleton had reduced material procurement to maximum extent possible consistent with his mission. When further reductions became necessary, he wa forced to make additional personnel cuts.

☆ Needless medical and hospital care means wasted insturance and eventual increase in premium payments on health insurance programs. Write to the Better Business Bureau, Spreckles Building, San Diego, for a free copy of "Your Health Insurance Package — What You Should Know About It."

☆ The Port of San Diego is many miles closer to the vast southwest inland agricultural area than any other port on the west coast.

### GROVE WOMAN NAMED TO DENTAL-BRIDGE COMMITTEE

Mrs. William Ungricht of 2615 Corona, Lemon Grove, is on the general planning committee and will participate as hostess in the San Diego County Dental Society Auxiliary's Bridge Day, February 18.

Sixty-two hostesses throughout the San Diego area will entertain more than 550 women in their homes at individual benefit parties. "Paying" guests will be served luncheon and enjoy bridge or other card games.

Proceeds from the benefit will help finance the Auxiliary's Dental Health Education Program. This program includes scholarships for a dental student and dental hygienist, support for the Children's Dental Health Center, participation in Dental Health Week, and an extensive program for the schools. A puppet show lauding proper care of the teeth is presented by Auxiliary members and tours the schools in the county. Dental Health films, toothbrushes, and funds for prothestics for schools children are also provided by the group.

☆ "The Harbor of the Sun," as the Port of San Diego is known, not only contributes to the industrial wealth of the U. S., but annually hosts thousands of visitors to its unmatched recreational facilities.

### FOUNDERS DAY PROGRAM SET BY PALM P-TA

The Palm Avenue P-TA nominating committee, composed of Mrs. John Stubbs, Mrs. John Durham, Mrs. K. K. Little, Jr., Mrs. F. CClarke Lehew and Mrs. H. L. Graham, will announce their slate of officers at the Founder's Day program February 13. Mrs. Val Bierwirth, Founder's Day chairman, called a meeting at her home to formulate a program. Mrs. Frank Armstrong and Mrs. H. L. Graham and president Mrs. Alf Holmberg were present.

At the Mt. Helix Council meeting held recently at the Fletcher Hills School, Mrs. Frank Armstrong, Palm Avenue P-TA publicity chairman, was named chairman of the Mt. Helix nominating committee and has called a meeting for January 24, 9:30 a.m. in her home, at 8230 Golden Avenue, of this committee.

### HID TO STUDY OWN CAPABILITY

Helix Irrigation District this week authorized $6,000 for a study to determine how much additional area can be served by the district's present water transmission lines when additional water is available.

The study will be done by the HID's planning division.

A change in policy on district contributions toward pipeline installation was also approved this week. Under the revised policy the developer of a subdivision will pay for all water lines up to 8" in diameter for residential areas and the district will pay the difference in cost between 8" and 10" pipe at $1.85 per foot and the difference between 8" and 12" at $3.35 per foot.

Industrial and commercial area developers will pay for all lines up to 10" with the district paying $1.50 per foot for development requiring larger lines.

The new policy became effective Jan 14. Former policy required developers to pay for lines up to 6" in residential tracts and 8" in industrial and commercial areas.

### TelCo Man Promoted

YOUNG

Jack B. Young of La Mesa has been promoted by Pacific Telephone.

District manager Bill Parker said that Young has been named the company's tariff engineer for the Southern California area. In this capacity Young will head a staff of engineers who write, interpret and administer rates and conditions under which the company operates.

He assumed new duties in the Los Angeles headquarters building last week.

Young has spent 20 years with Pacific Telephone and has been assigned to the San Diego area since 1941. He began his career as an engineering assistant and won promotions to engineer, senior engineer, and in 1955 was named district plant engineer. During the later part of 1956 he was transferred to the commercial department for training.

He has lived in this area since 1952, currently residing at 10282 Vista de La Cruz.

FUNDS FOR ROBES — Mrs. Jean Eskridge, president of the Spring Valley Women's Club, presents a check from that club to John Woodrow, president of the Mt. Miguel High School choir. The check covered the cost of four choir robes. Choir director Robert Boucher looks on approvingly. —Tappy Foto

AS IF WE DIDN'T KNOW!

## Food Prices To Remain High, Demand Strong Says CCMI

Of interest to everyone is food and the subject of food, especially to the housewife, who has the important chore of purchasing and preparing the vital elements to keep her family "on the go."

What is the food outlook for 1958? According to the University of California Consumer Marketing Information, the Department of Agriculture reports the following:

Food in general will continue to be ample and the average dietary level is expected to be much the same as last year.

The strong consumer demand for food is a reflection that business is good—no substantial letdown in production, prices, or employment.

Consumer spending for food will total a little higher until mid-'58 due largely to increased marketing charges. Eating meals away from home and the use of so-called convenience foods seem to be here to stay—at least so long as incomes remain high. Homemakers seem willing to trade money for time.

Looking at the individual food items the prospects are:

Meat: About the same amount of meat will be available with a slight decrease in beef and veal consumption per person—an increase in pork per person.

Poultry and Eggs: Chickens and turkey meat will be record high in '58. Eggs—about like last year.

Milk and Dairy Products: Continued large supplies with little change in total amount or in per capita usage.

Fruits and Vegetables: Larger production of oranges and grapefruit assuming average weather or better. Apples will increase in quantity but heavy decline in dried fruits, such as, raisins and prunes. Total production of tree nuts is likely to be larger than the near average 1957 crop.

Fresh Vegetables: Supply again depending on weather, expected to increase with the exception of potatoes. Fewer potatoes but plenty to meet the demand.

Processed Foods: The consumption of processed vegetables is expected to continue strong but due to heavy supply of a year earlier no increase until mid-'58.

### 'Foreign Accent' For G&E Home Ec. Feature

"Cooking with a Foreign Accent," the first in the 1958 series of "Better Living . . . Automatically" programs being presented by the Home Economics Department, San Diego Gas & Eelectric Company, will be held next Tuesday from 1:30 to 3:30 p.m., in the auditorium of the utility's Eastern District Office, 104 North Johnson Street, El Cajon. All homemakers in the area are invited to attend this admission-free event.

Marie Bull, San Diego Gas & Electric Company home economist, says that if you occasionally like to serve your family and guests meals with a distinctive personality—different from the run-of-the-mill food—you'll want to attend this meeting. If you enjoy variety in your cooking experience, you should get some helpful suggestions from this demonstration, when two meals wit ha foreign flavor, Italian and German, will be prepared.

Mrs. Bull added that an electric ironing demonstration, something strictly American in the way of better living, will be an added feature on this program. Mrs. Velda Flynn, Ironrite representative, will show how a shirt can be ironed in two minutes and how to iron circular skirts and ruffled dresses with the greatest of ease.

It was stated that as usual refreshments will be served and door prizes awarded.

☆ An ounce of honey will attract more flies than a gallon of gall.

### LITERARY GROUP TO READ MANUSCRIPTS

Manuscript reading by members of the "Scribblers" will be the main order of business, when that group meets Monday, at 1:30 p.m. in the clubhouse at 8336 Lemon Avenue, La Mesa.

Luther Smith, president, invites all persons interested in writing to attend.

Of special interest will be a 30 minute talk by James Webb, executive producer of Channel 10-TV. There will be a 10 minute question and answer period following his talk.

Country Cousins: Square dance every Saturday night at the La Mesa Junior High School.

Lemon Grove Rainbow Girls. First and third Tuesday at VFW Hall, 7:00 P.M.

### "TRUTH" CHRISTIAN SCIENCE LESSON-SERMON THEME

The Lesson-Sermon in the Christian Science churches on Sunday will dwell on the nature of God as Truth, under the subject of "Truth." The Golden Text is from the 25th Chapter of Isaiah (25:1) where the prophet praises the power of God as truth and says, "O Lord, thou art my God; I will exalt thee, I will praise thy name; for thou hast done wonderful things; thy counsels of old are faithfulness and truth."

From another portion of the Bible Jesus' words are given, as recorded by Luke, "Every one that exalteth himself shall be abased; and he that humbleth himself shall be exalted" (18:14).

### GENEROUS THIEVES

Denver, Colo. — Reginald E. Bayley, 54, got a better deal than he expected when he asked for a dollar back from two men who robbed him. One of the men tossed him a $10 bill, of the $40 they had taken from him.

☆ A regular health checkup is the best insurance against cancer, accordin gto the San Diego County Branch, American Cancer Society.

● BUY IT IN LEMON GROVE

## SCHEIDLE OPENS AUTO BODY REPAIR SHOP

Lemon Grove Call-fireman (non-salaried) Clarence Scheidle has purchased the auto body repair business of the Texas Auto Service at 7315 Broadway. He has named it the Lemon Grove Paint and Body Company.

Scheidle, who has been a call man with the fire department for the past three years, is a member of the L. G. Masonic Lodge and is a charter member of the L. G. Optimist Club. He has been active for the past several years in Boy Scout work in Lemon Grove and Encanto.

He was in the Navy for three and a half years.

## ARS RENEWALS SOUGHT HERE

Membership in the Army Relief Society should be renewed during January, Mrs. James C. Carter reminded this week.

Mrs. Carter, who lives at 3315 Bonita Street in Spring Valley said that new memberships are particularly welcome. She said there is no obligation attached to participation in this program. Your financial assitance, however slight ,answers a great need, both to the family of the deceased soldier, and to the sense of security the active one feels, when there is this benefit in case of disaster. Your Committee Member would appreciate a prompt and generous response in this area.

☆ More than 5,000,000 American women have seen the American Cancer Society's educational film on breast self-examination. The film has been credited with the saving of many lives and is available through the San Diego County Branch of the society.

☆ The first landing by U.S. Marines in what is now the Republic of Nicaragua, was made on Jan. 8, 1852.

● BUY IT IN LEMON GROVE

☆ Don't be tricked by low-cost estimates on moving, the San Diego Better Business Bureau advises. If the fringe operator gets the job, he may present a much larger bill when the work is done. Deal only with reputable moving and storage firms.

☆ The Port of San Diego is one of the 10 great natural deep water harbors in the world.

## Annual Meeting Of Valley Church Set

Men of San Diego Quarterly Meeting (of Friends Churches) will attend their annual dinner and meeting at the Spring Valley Friends Community Church Tuesday. The men of the Spring Valley church are featuring a ham dinner, which is scheduled for 6:30 p.m. A donation will be received to cover expenses.

There will be a rally following the dinner. John Parker, president of the yearly meeting, has announced the following program: Verle Lindley, pastor of the Granada Heights Friends Church will be principal speaker; Bob Gilmour of Azusa will be guest soloist and Paul Ross of Yorba Linda, pianist.

Murray Tenney, president of the local group, invites all men interested in the church activities to attend this meeting. He said you will have an evening of blessing and enjoyment.

**ANNIVERSARY SUNDAY**

On February 2 the Friends Community Church will observe its 14th anniversary, with Rev. Blaine Bronner being the pastor since the beginning.

Many of those who had a part in the beginning of the church and those who have worshipped there in former years are being invited back for the anniversary services.

A planned potluck dinner will be served by the social committee following the morning services. At 2:30 p.m. there will be a "Memory Hour" with informal participation by many present and former members.

The day will close with a youth rally with C. W. Perry, Youth secretary of the Yearly Meeting, speaking and singing. All Spring Valley residents are cordially invited, Rev. Bronner points out.

**COFFEE HOUR**

The women of the Friends Community Church held a coffee hour at the home of Ted Arrington, on Central Avenue last Thursday morning. Donations are going toward the sewer fund of the church.

Are you interested in singing? The church is seeking singers for the choir. If interested contact Rev. Blaine Bronner at HO 6-3339.

**MARIE BULL**

**HOME ECONOMIST**
The San Diego Gas & Electric Company

**Suggests**

If every once in a while you like to serve your family or your guests a meal that's different, you'll want to attend the first of the 1958 "Better Living . . . Automatically" series of programs to be presented Tuesday, January 28, at the San Diego Gas & Electric Company's Eastern District Office, 104 North Johnson Street, El Cajon, from 1:30 to 3:30 p.m.

Getting away from preparing run-of-the-mill meals can also add variety to your cooking experience. You'll discover ways and means in this "Cooking With a Foreign Accent" program. In it, I'll prepare two whole meals with a foreign flavor. The Italian will embrace tasty appetizers, cauliflower salad, rabbit cooked in wine, a flavorful rice dish, zucchini squash, Italian-style, and a delicious dessert. The German will include veal chops in sauce, potato pancakes, red cabbage with apple, and an appetizing dessert.

Strictly American in the way of better living — though not in the eating and cooking department — is the electric ironer demonstration which will be part of the program. Mrs. Velda Flynn, representative of the Ironrite Co., will show you how clothes ironing can be a "snap" rather than an unwelcome weekly chore. She'll demonstrate how to successfully iron a circular skirt or a ruffled dress with the greatest of ease. You'll be forever thankful for having had this opportunity of learning about this wonderful appliance which is a blessing to the busy homemaker.

I'll be looking forward to seeing you next Tuesday.

## DMV Gives Tips On 1958 Stickers

Rolland Douglass, manager of the Department of Motor Vehicles office at 7787 University Avenue warned this week that time was running out for renewal of auto license tabs.

Last day to register, without penalty, is Feb. 4, he said. DMV offices are open Saturdays 'til noon until the registration period ends, he added.

Douglass offered some suggestions on application of the 1958 sticker.

1. Don't try to remove the old sticker. You'll only make a mess of it.
2. Remove wax or road dirt on the old sticker.
3. Warm the area by pressing your hand briefly on the old sticker.
4. Apply new sticker over the old, following instructions printed on the back.

All types of registrations are processed by the permanent full-time offices of the Department, on University Avenue.

Auto clubs also handle all types of registrations for their membership, penalty-free before the deadline.

In addition, temporary bank stations, opened during banking hours, are not authorized to handle cards marked with a red stripe, or to record transfers or other changes except simple changes of address on the cards.

A Local temporary station serving motorists is at First National Trust and Savings Bank at 5055 Federal Blvd. (near Euclid).

Officials urged motorists to apply in person for their registrations before the deadline rush. In applying the 1958 sticker to the rear license late, they advised motorists to be sure to cover the 1957 sticker with the new green one, according to instructions.

**NAVY CITES FAST PROMOTIONS IN ADVANCED SCHOOL PROGRAM**

Fast enlisted advancement and the possibility of promotion to warrant or commissioned officer is being emphasized currently by way of the Navy's enlisted Advanced School program.

Although this program is designed for qualifying male petty officers third class and above, with at least three years service, it is pointed out that the recruit can attain a third class petty officer rating within his first two years of service.

Selected men are ordered to Naval Preparatory School before entering either Purdue University or the University of Washington for their first two years of school.

☆ Fake charity promoters pocket 1½ million dollars annually in the United State, the San Diego Better Business Bureau has found. Check with your local Bureau before donating to a charity which you are not completely familiar.

GOOD SPEAKERS — The Lemon Grove Toastmasters awards in their annual competition among Mt. Miguel High School students went to Judy Thompson, 4016 Rogers Road, Spring Valley, and Lewis Griggs, 1908 Ensenada. Griggs is employed by this newspaper in the print shop.
In the photo are Al De Clerico, 3419 Fairway Drive, Toastmasters president; Miss Thompson, who copped top honors; Griggs, second place winner, and Robert Sanders, teacher of speech at Mt. Miguel.

Third place winner was Dave Spisak, of 1680 Taft Street, who was not present for the photograph. — Tappy Foto

## John Emerick Named Bishop's Warden At St. Philips

The 7th Annual Meeting of St. Philips Episcopal Church was held at the church, Tuesday evening, January 14. The Very Reverend T. Raymond Jones, Dean of the San Diego Convocation of the Episcopal Church, was present. Dean Jones represents the Episcopal Bishop of Los Angeles. Over one hundred members of the church were present and enjoyed a pot-luck dinner preceding the business meeting.

The Bishops Warden, John J. Emerick, was appointed by the Dean. The following were elected to office of the Bihhops Committee: Sr. Warden, Jack Gowin; Clerk, Iver Petersen; Treasurer, Miss Barbara Merit; Members-at-large, Richard Lovelace, Charles Siebert, Archie Brack and John Taylor. Delegates to the Diocesan Convention are John Emerick, William Bartlett and Forrest Jamess Attaway and alternate delgates are Archie Brack, A. B. McTear and William Sayward. Delegates to the San Diego Convocation are Mr. and Mrs. Iver Petersen, Mr. and Mrs. Jack Gowin and Irving Van Horn.

The following gave reports on the various organizations in the church: Girls Friendly Society, Miss Sandra Taylor; Church School, Mrs. Zola Hills; Womens Assembly, Mrs. Eileen Edens; Treasurers report, Miss Barbara Merit; Altar Guild, Mrs. John Emerick; Womens Assembly treasurers report, Mrs. Mary Grout and the report of the Vicar, the Reverend J. Philip Bartlett, covering the many activities of the church.

## L.G. Voters O.K. Shearer

Nineteen Lemon Grove Republican and civic leaders have signed a petition urging Bill Shearer, La Mesa Republican, to annouce as a candidte for State Assemblyman in the 77th District. Mrs. Kenneth Fear, Homeland area GOP precinct leader, circulated the local petition.

Lemon Grove petition signers included: Earl R. Andrix, Mrs. W. Andrix, Roy E. Erwin, Leland W. Giles, Mrs. Paul Harvey, Harry Kolman, Jerome J. Lauerman, Alvin R. Littlefield, Lucie M. Littlefield, Mrs. Esther M. Mills, Mrs. Dassah S. Newton, Mrs. Elizabeth Parsons, Tom Parsons, Mrs. Alice Pena, Robert Ruiz Pena, Mrs. Amy N. Sonka, F. C. Schockey, Mrs. Harriet Shockey, and Lee J. Thompson.

The petition urged Shearer to enter the race because "he is a man of high ideals and sound government principles; he is thoroughly qualified by experience to represent this district in Sacramento; he made an outstanding race against the Democratic incumbent in 1956, securing over 48% of the votes; and he has the best chance of any Republican to defeat the Democratic incument in 1958."

Shearer said he was deeply grateful to those signing the petition for their support. "A large number of these petitions have been in circulation all over the district," he said, "and most of them have been returned to me. I am studying them now, and will probably be ready to make a final decision on a district race in another week or so. It apears that if I become a candidate I will have the solid support of the Republican organization in the district, many Democrats and independent, and a large number of active civic leaders."

Shearer said that the decision of the Democratic incumbent to seek re-election will not influence his own decision in any way.

☆ More than 250 ocean-going cargo vessels, the greatest number in the history of San Diego, loaded or unloaded during fiscal 1957.

# L.G. JAYCEES IN VARIED ACTIVITY

Showing of the U. S. Atomic Commission's traveling exhibit is one of several activities currently holding the attention of the Lemon Grove Junior Chamber of Commerce.

The exhibit is scheduled to be open to the public Saturday February 8, according to Abe Mukai, Jaycee State Director and project chairman. It will be shown on Broadway at an address to be announced later Mukai said.

The exhibit is a self-contained, walk-through mobile unit housed in a modern bus-type vehicle that will be shown at various points in the city. Titled "Atoms for Peace," it is the latest in a series of traveling atomic-energy exhibits prepared by the U. S. Atomic Energy Commission as part of its many programs to bring the latest information on atomic energy to the general public in a concise, easy-to-understand form.

Visitors to the exhibit will, in a relatively short period of time, obtain a comprehensive picture of the many ways in which the peaceful atom is playing a more-and-more important role in our everyday life. A series of panels, several of them operated by the spectator himself, explain research and development in the atomic-energy field, ranging from the mining and refining of radioactive ores to the construction of nuclear reactors designed to provide electric power.

In additions, the visitor will learn some of the many uses of radioisotopes—the so-called "tracer atoms"—in medicine, agriculture, and industry. The exhibit also contains actual samples of radioactive ore, simulated fuel elements, reactor control rods, radiation-detection devices, and other materials.

The Lemon Grove Jaycee group was among the combined County JC gathering at their District 10 quarterly meeting last week at Del Mar Fair Grounds.

Joseph H. Payson, of 7371 Canton Drive, representing Lemon Grove won first place in a "Speak up Jaycee" oratorical contest. Payson will represent the county in state competition at Santa Cruz later this year.

John Engelstad, president of Grove Jaycees, received an award for having the highest percentage of any club turn out for the meeting.

Engelstad said that this, and other activities, was part of the 38th anniversary celebration which all Jaycee group were taking part in.

Jaycee Week, now being marked across the nation, will be set aside to encourage young men 21 through 35 lend service to their community and at the same time gain training in leadership, Engelstad said.

In Lemon Grove a membership drive contest is being conducted between two Jaycee teams. Captains ar Vernal Wilkinson and Ron Cardinale.

## HANSEN WATERCO BONDS SOLD

Fred J. Hansen, president of the newly formed La Presa County Water District said Friday that the bonds have been sold to Garber and Company of Seattle, Washington on an interest basis of 4.99 per cent. There was no discount.

There were five bids, the La Mesa branch of the Bank of America was second lowest bidder with within 100 of a percent of Garber.

Hansen said that whereas the recent sale of the Ramona water bonds sold at 5 and ½ per cent, the local bonds sold for less than 5 percent. He said it is a real compliment by the financial interests to this deal. It shows, he said, the faith that the financial interests have in this community. The Board, he concluded, was very well pleased.

The Board has also awarded contracts for the initial work of the La Presa County Water District. The Grover Tank and Manufacturing Company of Arcadia, California, was low bidder for a one million gallon water tank. Their bid was $51,338. Seven other bids were submitted. For three miles of 10, 12, and 14 inch pipe, the Jackson-Hopkins Company of Bakersfield, were low bidders. Their bid, $109,394.70. There were eight other bids.

## 'Bums' On Appreciation Night Program

The Los Angeles Dodgers baseball team, Southern California's newest major sports organization, will join in paying tribtu' to San Diego County's high school administrators and coaches at the fourth annual Appreciation Night banquet to be held January 23 in the El Cortez Hotel.

Fresco Thompson, a former major league player and now Dodger vice president in charge of personnel, will participate in the Appreciation Night speaking program, according to an announcement yesterday by Howard Beilstein, banquet general chairman and president of the co-sponsoring Notre Dame Alumni Club of San Diego.

St. Augustine High School is the other co-sponsor of the civic testimonial which will feature Eddie Erdelatz, football coach of the U.S. Naval Academy's Cotton Bowl champions, as principal speaker. Morris Frank, columnist for the Houston, Texas, Chronicle, will return for his second appearance as master of ceremonies.

More than 200 administrators and coaches will be honored guests. An estimated 600 will attend the testimonial.

## W. E. Anderson Dies At 74

William E. Anderson, 74, of 3234 Citrus Street, died December 12 in a sanitorium.

Anderson was born in Pittsburg, Pa., and lived in San Diego County 33 years .

Survivors include his widow, Edna; a brother, H. K. of San Diego, two stepsons, S. Edwin Plummer of Campo and Richard W. Plummer of Chula Vista; and a setpdaughter, Mrs. Helen Koch of San Diego.

Services were held at Greenwood Mortuary.

**M. H. GIRL SCOUTS RUMMAGE SALE IS FRIDAY**

Monterery Heights Girl Scouts Neighborhood of District 10 will hold a rummage sale at the Lemon Grove Youth Center Friday starting at 9 and continuing till 5.

# S.V. HOUSE TOTAL LOSS IN MIDNIGHT FIRE

A five room house at 9446 Crest Drive, Spring Valley, occupied by R. J. Frost, his wife and child, was almost totally destroyed by fire at 12:30 a.m. Sunday. The Frosts were not home when it started. They had left at 9:30 Saturday evening and found the house afire on their return.

Frost went to the home of V. C. Enberg, where Mrs. Enberg called the Spring Valley Fire Department.

Fire Chief Don Clark said cause of the fire is yet undetermined. He said it apparently started near the front door. He said the house was insured but the furniture was not. The Frosts had lived in the house only about a week.

One of the firemen,Dayrel Stager, received severe burns on his knees, hands and chin, when the blazes swept out of the house.

# GUHS To Let $7000,000 Worth Of New Projects

The board of trustees of the Grossmont Union High School District have indicated approval of calling for bids for construction of a high school office building and auto shop within several weeks. Plans for the facilities, together with plans for replacement of boys shower and locker and insstrumental music rooms, estimated to cost between $400,000 and $500,000, will be ready for construction as soon as plans have been processed by the state division of architecture.

Preliminary plans were approved for an 11 classroom addition at El Cajon Valley High. Estimated cost ranges from $175,000 to $200,000. Harold Hughes, asssociate Superintendent, indicated that this project would not be let until is was certain that the construction of the high school in Lakeside would not be delayed thereby.

Hughes also reported that Mt. Miguel was completed except for a replacement in the heating system and that plans for a relocation of a road at Cactus Park in Lakeside have been approved by the County Road Department.

The board decided to inspect available sites for the proposed junior college at an early date. The administration reported that both county and state school planning consultants have recommended that two junior college sites be acquired in order to provide for an eventual enrollment of 7500 students. State consultants have recommended a limit of 3500 in enrollment in a junior college.

## PACK 303 OFF TO GOOD START

Pack 303 reports a successful year. After winding up a mistle toe sale the leaders enjoyed a party at the D. Barton home.

Off to a new start the first Pack meeting was held Friday evening at the Jr. High Cafetorium. The Rev. E. W. Smith of the Congregational Church gave the invocation.

One new Bobcat, R. Hall was taken in, 7 boys were graduated to the Weblos Rank, and Earl Touchet and Jim Foley were graduated to Boy Scout Troop 369.

A three year pin was presented to Mrs. F. Doolin.

The theme of the month was "Cub Scout Movie Makers." A clever skit was presented by Den 1 and 7, it featured Horace Belch and his Ginger Ale Music Makers, on a television show and while the cameras ground away the bubble machine went awry.

Plans are now underway for the Blue and Gold Dinner in February.

## *Electric Wire Falls When Auto Hits Pole*

San Diego Gas and Electric Company mobile crew was rushed to Lemon Grove Monday when an unidentified auto struck the guy wire in front of 7931 Broadway.

A shower of sparks resulted when a neutral wire came in contact with a "hot" one. The neutral wire fell across several parked cars. No one was injured.

The guy wire is a part of the G & E system which connects with the electric pole in the middle of the post office parking apron.

☆ Life is like bicycle—stop pedaling and you fall off.

☆ Fools wait for things to turn up; wise men go and turn them up.

## MORE DOGS DIE OF POSION

Two more dog poisonings were reported to the BULLETIN last week. One dog, belonging to Frank Thomas, 9017 Kenwood Drive, died in the back yard of the Thomas home. Dr. Fred Sherman, veterinarian, said the dog apparently died of strychnine. The Thomas home is in the area where six other dogs met death by poisoning.

The second dog reported as dead last week, belonged to Wallace Ward of 4040 Citradora Drive, Spring Valley. Dr. Sherman, who did an autopsy on the animal, said he discovered strychnine mixed with grain, raisins and fish, in the dog's stomach.

**AN UNUSUAL PRIZE**

Decatur, Ill —The department of a plant with the lowest clean-up record will be awarded, as a booby prize, Ferdinand the Skunk. Ferdinand — who has been deodorized — has taken a tremendous liking for such nice clean food as chocolate milk.

# SEWER PLANT MAY OPEN THIS WEEK

Three members of the County Public Works Department; Jean Vincenz, director, Warren Barney, chief engineer and Charles Oldson, sanitary engineers, met at the Spring Valley sewer treatment plant with contractor Theodore Gregory and his attorney John Knowles, last Friday, in which was hoped to be the last meeting before the plant goes into operation. Also in on the meeting were William Doughman, past president of the Spring Valley Chamber of Commerce and Chet Smith, treasurer of the C of C.

It was pointed out that the pant should open within a few days. Checking on some of the various facets of the plant still has to be done, although most of the work is complete. Some of the minor work at the plant can be done when the plant is in operation, it was pointed out.

Bob Otis, of the Chula Vista Electric Company, who is installing that end of the work, said he already has the panelling in and is waiting for power from the Gas and Electric Company. It should be in this week.

Contractor Gregory said he and his men are working hard toward one end, to get the essentials ready for the checking stage.

Jean Vincenz, director of Public Works, said that the way Gregory's work is going, the plant will be ready sooner than anticipated.

Plans for a dedication of the Spring Valley Sanitation sewer treatment plant are expected to get under way soon by a local group or groups.

# Square Dance News . . .

**MERRY WHIRLERS**

New officers of the Merry Whirlers Square Dance Club were elected last week when that group met in the Rolando School.

The new president is Bill Neuner of La Mesa. Others elected were: Floyd Bryant, vice-president; Betty Kagarice, executive-secretary; Nell Brueggemann, publications - secretary; Jessie Porter, treasurer; program chairman, Thelma Walton; and Jo Ann Ivy, publicity.

Clubs attending the dance in conjunction with the election were the Circle M, the Dudes and Dolls and the Maids and Braids. Heartland Federation president Jack Ball and his wife Evelyn were guests of honor. Guest caller was Wayne Ivy.

January 25 the Merry Whirlers will hold their annual dance. The fetaure event of the evening will be a judging of a cake baking contest. Prizes for the best cakes will be awarded to both men and women. The dance is open to the public and there will be fun, prizes and games for all. Ron East will be caller.

**CIRCLE EIGHT**

New officers elected for the coming year for the Circle Eight Square Dance are: presidents, Charlie and Julie Byrne; vice-presidents, Walt ad Nancy Ellis; secretaries, Andy and Arlene Anderson; treasurers, Fred and Harriet Baumgarten; board members, Al and Vinnie Harvey and Jim and Helen Bodine.

Al Schaeffer was club caller, when the club met in the SV Chamber of Commerce hall January 10. Walt Willis and Roy Close were guest callers

The guest list included Roy Bihlmyer, Helen Moulton, and Don and Donnie Nichols.

In the special events, Julie Byrne won the first prize, which was donated by Jim and Helen Bodine; and Juanita Close won the second prize, donated by Frank and Foster.

**PROMENADERS**

Visitors with the Promenaders recently were August Johannsen, all the way from Minnesota, Wayne and Jo Ann Ivy from La Mesa, Bill and Vi Bruner also from La Mesa, and Henry and Sylvia Wilson.

Club caller was Frank Dyson, and he was assisted by guest callers Wayne Ivy, Ron East and Paul Coston. Host and hostess were Paul and Gail Coston.

**GADABOUTS**

Beginners class for teenagers closes Monday night. Class is 6:00 to 7:15 p.m. Donation 25 cents.

Advance dancing for teenagers 7:30 to 9:30 p.m.

Party night this Monday and every fourth Monday of the month.

**LEMON EIGHTERS**

The Lemon Eighters are planing something different for their party night Monday. It is a Rummage Dance, and each dancer is asked to bring an outfit of clothing in a paper sack, clearly labled 'His' or 'Hers'. Since the rummage will go to a worthy cause after the dance, the outfit should be wearable, but not something that need be returned to the owner. What we do with the clothing between the time of arrival and departure will be disclosed at the dance. Stan Bryan will call. Music, live and lively, is the product of the H & H Tunetwisters. Refreshments, served about ten, are free of charge, as is the child care, provided for the convenience of members and friends. Dance will be at Friendship Hall, Church and Main.

**GOODWILL DOLL SHOW DATES SET**

The 22nd annual Goodwill Doll Show will be held February 3 through 8 at Goodwill headquarters, 5th and J Streets in San Diego.

Admission is free.

☆ Worry is the interest paid on trouble before it falls due.

# Full Calendar Set By L.G. Juniors

The choral group of the Lemon Grove Woman's Club Juniors will present a half hour variety musical program Friday at the Lemon Grove Woman's Club meeting. Program is under the direction of Mrs. George Jenkins, music chairman.

Juniors will hold their initiation dinner January 28 at El Nadadero. To be initiated are new members: Mmes. Farrell Patton, Warren Peterson, Joseph Payson, Rene Gentry, Thomas Cook, Robert Toomey, James Burnworth, Richard Hunt, and Misss Michael Sayward. Mrs. Gene Johnsosn is the club's membership chairman.

Initiating officers will be Mmes. G. A. Turner and Carl Pieperbrink, Senior co-ordinators. Part of the entertainment will be provided by a style show featuring clothes made and modeled by Juniors. The choral club wil present a musical program.

More than 200 books have been collected by the club's project "Operation Books" according to Mrs. Robert Bresnehan, chairman of the Build a Better Community committee. More are needed, she says, for the libraries at Mt. Miguel High School and Vista La Mesa Elementary School.

Another trip is planned to the Tijuana orphanage operated by Mr. and Mrs. Bringas. Junior's Welfare Project provided a happier holiday for the youngsters who live there according to Mrs. Robert Torrens, Welfare chairman.

☆ Self-propelled missiles went into combat for the first time Jan. 11, 1944, when two torpedo bombers from a Navy escort carrier attacked a German U-boat with rockets fired from their wings.

**NOTICE OF SPECIAL ELECTION PERTAINING TO THE ANNEXATION OF POPPY STREET TO THE CITY OF LA MESA**

NOTICE IS HEREBY GIVEN that, pursuant to Ordinance No. 877, of the City of La Mesa and to the Annexation Act of 1913, a special election has been called, to be held on the 28th day of January, 1958, in the territory hereinafter described and proposed to be annexed to the City of La Mesa for the purpose of submitting to the qualified electors residing in the said territory the question whether or not such territory shall be annexed to, incorporated in, and made a part of said City of La Mesa, and whether or not the property in said territory shall, after such annexation be subjected to taxation, equally with the property within the City of La Mesa, to pay the entire bonded indebtedness of the City of La Mesa, outstanding or authorized at the date of the filing of the petition for annexation for the acquisition, construction or completion of municipal improvements.

Said territory is described as follows.

POPPY STREET
ANNEXATION
TO THE CITY OF LA MESA

All that portion of the unincorporated area of San Diego County, State of California, included within the following described boundary:

Beginning at the Southwesterly corner of Lot 1, Block 3, of Fletcher Hills Unit No. 1, according to Map thereof No. 2041, filed July 6, 1927 in the office of the recorder of said County, said point of beginning being also an angle point in the boundary of the City of La Mesa, known as "Primrose Drive Annexation", passed and adopted by Ordinance No. 472 by the Council of said City on September 8, 1953;

(1) Thence North 70°30'30" East 810.00 feet along the Southerly line of Lots 11 to 4 inclusive, of said Block 3, to the most Southerly corner of Lot 3 of said Block 3 of said Map No. 2041, said line also being a boundary of the City of El Cajon of said County;

(2) Thence South 19°33'00" East 295.00 feet along the Westerly line of Lots 48 to 52, inclusive, according to Grossmont Terace Unit No. 2, Map thereof No. 2848, records of said County;

(3) Thence South 15°27' West 70.00 feet according to said Map No. 2848;

(4) Thence South 46°57' West 236.00 feet;

(5) Thence South 27°52' West 310.00 feet to a point in the boundary of Grossmont Terace Unit No. 3, Map thereof No. 2894 filed August 6, 1952, record of said County;

(6) Thence South 87°24'30" West (Record, South 87°32'37" West) 230.72 feet;

(7) Thence South 2°48'20" East 210.05 feet (Record, South 2°46'50" East 210.02 feet);

(8) Thence South 40°08' East (Record South 40°06'30" East) line of Lakeview Drive, according to Map thereof No. 1342 of Murray Hill, as shown on said Map No. 2894;

(9) Thence South 1°24'15" East 20 feet to an intersection with the center line of said Lakeview Drive; being also a point on the boundary of the City of La Mesa, known as "Murray Hill Annexation", passed and adopted by Ordinance No. 624 by the Council of said City May 24, 1955;

(10) Thence Westerly, Northerly, Southerly and Northwesterly along said City of La Mesa boundary and said center line of Lakeview Drive to an intersection with the Westerly prolongation of the center line of La Vista Avenue, according to said Map No. 1342;

(11) Thence Northeasterly along the center line of said La Vista Avenue to an intersection with a line that bears South 19°33' East from the most Westerly corner of Lot 132, according to said Map No. 1342;

(12) Thence North 19°33' West 113.1 feet to said most Westerly corner of said Lot 132, being an angle point in said City boundary and the most Southerly corner of Lot 17, Block 3 of said Map No. 2041;

(13) Thence North 55°25' West (Record North 55°30' West) along said City boundary and the Southwesterly line of said Map No. 2041, a distance of 704.77 feet to the most Westerly corner of Lot 9 of Block 1 of said Map No. 2041;

(14) Thence North 34°40' East 251.73 feet;

(15) Thence North 30°04' East 153.66 feet;

(16) Thence South 55°25' East 282.11 feet to the most Southerly corner of Lot 14 of said Block 1, being also a point on the Northwesterly line of Poppy Street;

(17) Thence Southerly in a straight line to the most Westerly corner of Lot 34 of said Block 3, being a point in the Southeasterly line of said Poppy Street;

(18) Thence South 44°16'05" East 369.60 feet;

(19) Thence North 70°30'30" East 280.29 to the Point Of Beginning.

Said territory is designated and identified for said election purposes and for use upon the ballots at said election as POPPY STREET.

For the purpose of said special election, there has been established in said territory one voting precinct. The polling place for said precinct will be in the garage at 5826 Poppy Street, San Diego County, California. The polling place will be opened at 7:00 A.M. and closed at 7:00 P.M. on said 28th day of January, 1958.

Upon the ballots to be used in said special election there shall be printed the words:

SHALL POPPY STREET BE ANNEXED TO, INCORPORATED IN AND MADE A PART OF THE CITY OF LA MESA AND THE PROPERTY IN SUCH TERRITORY BE AFTER SUCH ANNEXATION, SUBJECTED TO TAXATION EQUALLY WITH THE PROPERTY WITHIN THE CITY OF LA MESA, TO PAY THE ENTIRE BONDED INDEBTEDNESS OF THE CITY OF LA MESA, OUTSTANDING OR AUTHORIZED AT THE DATE OF THE FILING OF THE PETITION FOR ANNEXATION FOR THE ACQUISITION, CONSTRUCTION OR COMPLETION OF MUNICIPAL IMPROVEMENTS?

Opposite these words there shall be printed the words "YES" and "NO", and to the right of each of these last two words there shall be a voting square. If an elector shall stamp a cross (+) in the voting square after the printed word "YES" the vote of such elector shall be counted in favor of the annexation of said territory to the City of La Mesa; and if an elector shall stamp a cross (+) in the voting square after the printed word "NO" the vote of such elector shall be counted against such annexation.

In all particulars not herein recited said election shall be held in conformity, as near as may be, with the laws of the State of California, concerning general selctions and with said Annexation Act of 1913.

The improvements for which bonded indebtedness of the City of La Mesa has been incurred, outstanding at the date of the first publication of this notice, and the amounts thereof, and the maximum rates of interest payable thereon are as follows:

| Funds Issue and Purpose | Maximum Rate of Interest (per cent) | Amount of Indebtedness on 1/9/58 |
|---|---|---|
| Sewer Bond, 1944 (Outfall sewer) | 2½ % | $ 9.000.00 |
| Municipal Improvement Bonds, 1955 (Improving University Ave., Monte St. and Jackson Dr.) | 4% | 575.000.00 |
| Fire Station Bonds, 1956 | 4% | 15.000.00 |
| TOTAL | | $ 599.000.00 |
| TOTAL OUTSTANDING | | $ 599.000.00 |

Dated at the office of the City Clerk of the City of La Mesa this 10th day of December, 1957.

**BOOTHS HAVE 4 POUND BOY**

Mr. and Mrs. Stanley Booth, of 7904 Lester Avenue became parents of a four pound baby boy Tuesday at Hillside Hispital. They named the youngster, who got here in seven months, Daniel Robert and both mother and son are doing well.

Booth is in the navy. The couple have another child, a daughter, Gail, 11 years old.

☆ Many a man gets a pretty hard fall from being thrown on his own resources.

**BUILDING CONTRACT DOCUMENTS ADVERTISEMENT FOR BIDS**

Notice is hereby given that the Lemon Grove School District of San Diego County, California, acting by and through its Governing Board, hereinafter referred to as the District, will receive up to, but not later than 8 o'clock p.m. of the 10th day of February, 1958, sealed bids for the award of a contract for the construction of:

San Altos School—to be located at
Madera Street at Ramon Street
Lemon Grove, California

Such bids shall be received in the office of the Superintendent of said District at 8025 Lincoln St., Lemon Grove, California and shall be opened and publicly read aloud at the above stated time and place.

Each bid must conform and be responsive to this invitation, the Information for Bidders, the Specifications, the Plans, and all the other documents comprising the pertinent Contract Documents. Copies of the Contract Documents are now on file and may be obtained in the office of Clyde Hufbauer, Architect of said Board, at 1975 Fifth Ave., San Diego 1, California.

Each bid shall be accompanied by a certified or cashier's check payable to the District or a satisfactory bid bond in favor of the District executed by the bidder as principal and a satisfactory surety company as surety, in an amount not less than 5% of the maximum amount of the bid. The check or bid bond shall be given as a guarantee that the bidder shall execute the contract if it be awarded to him in conformity with the Contract Documents, and shall provide the surety bond or bonds as specified therein within five (5) days after notification of the award of the contract to the bidder.

The District reserves the right to reject any or all bids or to waive any irregularities or informalities in any bids or in the bidding. Preference will be made in the award for California made supplies, pursuant to Sections 4330 to 4334, inclusive, Government Code.

The District has determined the prevailing rate of per diem wages in the locality in which this work is to be performed for each craft or type of workman needed to execute the contract, which will be awarded to the successful bidder, to be as follows:

| Trade or Occupation | Hourly Rate $ | Per Diem $ |
|---|---|---|
| Carpenters: | 3.225 | 25.80 |
| Carpenters | 3.305 | 26.40 |
| Table power saw operators | 3.175 | 25.40 |
| Cement masons | 3.80 | 30.40 |
| Electricians | 3.03 | 24.24 |
| Glaziers | 3.625 | 29.00 |
| Ironworkers, structural | 3.625 | 29.00 |
| Ironworkers, ornamental | 3.375 | 27.00 |
| Ironworkers, reinforcing | 3.725 | 29.80 |
| Lathers | 3.375 | 27.00 |
| Marble setters | 2.51 | 20.08 |
| Marble setters, helpers | | |
| Painters | 3.09 | 24.72 |
| Brush | 3.64 | 29.12 |
| Spray | 3.725 | 29.80 |
| Plasterers | 3.475 | 27.80 |
| Plasterers, tenders | 3.70 | 29.60 |
| Plumbers | 3.10 | 24.80 |
| Roofers | 3.30 | 26.40 |
| Sheet metal workers | 3.20 | 25.60 |
| Soft floor layers (linoleum) | 3.70 | 29.60 |
| Steam Fitters | 3.375 | 27.00 |
| Terrazzo workers | | |
| Terrazzo workers helpers: | 3.01 | 24.08 |
| Wet base head grinder | 3.01 | 24.08 |
| Flat head grinder | 3.01 | 24.08 |
| Dry base grinding | | |
| Welders—receive rate prescribed for craft performing operation to which welding is incidental. | | |
| Laborers: | 2.48 | 19.84 |
| Laborer, general or construction | 2.48 | 19.84 |
| Laborer using dry pack | | |
| Operators and tenders of pneumatic & Electric tools vibrating machines, & similar mechanical tools not separately classified herein | 2.69 | 21.52 |
| Asphalt raker, ironer, spreader | 2.69 | 21.52 |
| Laying of all non-metallic pipe including sewer pipe, drain pipe, drain pipe & underground tile | 2.79 | 22.32 |
| Making & caulking of all non-metallic pipe joints, tarman, mortarman & pot man | 2.67 | 21.36 |
| Window cleaner | 2.63 | 21.04 |
| Power Equipment Operators: | | |
| Air compressor, pump or generator | 2.74 | 21.92 |
| Concrete mixer, skip type | 2.96 | 23.68 |
| Skiploader, wheeltype, ford, ferguson, jeep or similar type ¾ yd or less (without dragtype attachments) | 2.96 | 23.68 |
| Ford, ferguson or similar type (with dragtype attachments) | 3.19 | 25.52 |

| Plasterers | 6 mos. | | 55 | 60 | 65 | 70 | 75 | 85 | 90 | | |

*$1.00 per day less than journeyman's wage.

The foregoing schedule of per diem wages is based upon a working day of eight (8) hours. The rate for legal holiday and overtime work shall be at time and one-half. The hourly wage rate prescribed hereinabove is the per diem rate divided by the aforementioned number of hours constituting a working day.

It shall be mandatory upon the Contractor to whom the contract is awarded, and upon any subcontractor under him, to pay not less than the said specified rates to all laborers, workmen, and mechanics employed by them in the execution of the contract.

Notice is further given, pursuant to Sec. 1740 Labor Code (Chapter 1992 Stats. 1957), that all bid specifications and contracts and other procedures in connection with bids or contracts relating to the above and foregoing public works will be subject to modification to comply with revisions in Federal minimum wage schedules without the necessity of republication or duplication of other formal statutory requirements.

Attention is called to the fact that a list of proposed subcontractors must be submitted with the bid.

No bidder may withdraw his bid for a period of thirty (30) days after the date set for the opening of bids.

Bert R. Cosby
Clerk, Governing Board
Lemon Grove School District
San Diego County, California

L.G. Review, January 16, 23, & 30, 1958.

# S.V. C of C OK's Survey Funds

With Lemon Grove eyeing incorporation, with San Diego and other smaller towns seeking to annex adjoining areas, it has been the general feeling in the Spring Valley area that some local studying should be done . . . and quick.

La Mesa has indicated that it wants Spring Valley to come on into their community. But president of the Spring Valley Chamber of Commerce J. C. Danner, last week said he believes most of the residents of Spring Valley prefer not to annex to La Mesa. He said, however, that the Spring Valley Chamber of Commerce will listen to what the La Mesa Council has to say.

As an outgrowth of these feelings in Spring Valley, the Chamber of Commerce some time ago appointed a committee to start studying where the boundaries of Spring Valley lie and what could be done about some form of local government. That was long before La Mesa made her bid.

Dr. Don Leiffer, head of the Political Science Department at San Diego State College was contacted and he and two of his colleagues agreed to meet with the Chamber committee for further study. Dr. Leiffer's colleagues are Dr. Richard Bigger and Orin Cope.

The initial meeting was held several weeks ago at State College. At that time the main subject discussed was where the boundaries of Spring Valley lie. But that problen is taking care of itself.

Then the SV Chamber of Commerce received a letter from Dr. Lieffer which is part explained what the survey would cover. It will give descriptions of a feasible alternative means that might adopted to solve local governmental problems within the area; financial implications; procedures and legal steps necessary; and a complete discussion of the pros and cons of each governmental device.

The cost of the survey is to be $1500.

Last Thursday while the La Mesa Council was wondering about Spring Valley annexing to their community, the Chamber of Commerce committee and the college trio met again.

This time the final details were ironed out. For the $1500 it was decided that a newly formed college group, headed by Dr. Lieffer, will do the survey. This new group known as the Public Affairs Institute, is doing basic and applied research in the field of governmental and public affairs. The fee will go to help this group and not to the college itself. Dr. Lieffer pointed out.

Dr. Leiffer has had over 25 years experience in this field, and his two colleagues have also had many years experience in the same field. All three have done research for professional journals, particularly in local government. They are in agreement that Spring Valley has great potential.

So now the survey has reached the point where the Chamber of Commerce committee seeks funds that the actual work may start . . . at least by the end of January. It will take the college group about 10 or 12 weeks to complete the survey.

The Spring Valley committee urges all business men, organizations and individual citizens of the area to get behind the survey. All contributions will be recorded in the name of the survey.

For further information on the subject of the survey, try to attend the Spring Valley Chamber of Commerce meeting January 27, at 8 p.m., in the Chamber of Commerce Hall, 9050 Memory Lane, Spring Valley.

# Security Bank Set For College-Grove

Security-First National Bank has chosen College Grove Center as a new branch site in San Diego County, according to an announcement by A. J. Sutherland, senior vice president and chief executive officer of the bank's San Diego division.

Sutherland said the bank had entered into a long-term lease for premises for a new branch and that they expected to open one there upon completion of construction. The lease was negotiated by Allen H. Perris, local representative of Phillip Lyon Company, Los Angeles realty firm which is leasing agent for the center being designed by John Graham & Associates of Seattle and New York. The Graham architectural and engineering firm has designed many of the nation's most successful shopping centers.

"We chose College Grove Center," Sutherland said, "in order to keep pace with the banking needs of the fast, but stable growth of one of the most dynamic sections of the San Diego area."

Sutherland said the contemplated structure will contain 5,484 square feet, be air conditioned and strategically located in the mid-way walk section of the $14 million, 80-store center to be built on a 70-acre tract at Freeway 94 and College Avenue. He said the branch would perform all general banking functions, will have safe deposit boxes, escrow office, night depository, 12 to 14 teller windows and a customer lounge, representing an investment by the bank in equipment, fixtures and furnishings of approximately $50,000.

## 'School Days' Set For Grove Teachers

Teachers go "back to school" Monday in the Lemon Grove School District as students in the elementary and junior high grades enjoy a one-day vacation. The annual Professional Growth Day for certified personnel features a full day of panel discussions, educational films, and special speakers. It begins at the junior high auditorium at 9 a.m.

"Schools of Europe" will be explained and discussed by an able panel from the Education Department of San Diego State College. Dr. Kurt Friedrich speaks on "Russia and the Satellites"; Dr. Bjorn Karlsen discusses "Education in Scandanavia"; and Dr. Charles J. Falk talks about "Teaching in Western Europe". This morning session will be chaired by S. K. Solleder, assistant superintendent.

Two films, "A Desk for Billie" and Passion for Life," will be shown prior to the noon hour. In the afternoon Harry A. Fosdick, secretary of the Commission on Personnel Standards, California Teachers Association, will discuss "Our Professional Responsibilities." Fisdick, who is from the CTA State Office in San Francisco, will be chaired at the afternoon meeting by Mrs. Margaret Lemmer.

New materials of interest to classroom teachers will be on display during the programs in the auditorium. Planning committee for the annual professional day included S. K. Solleder, chairman, with Albert Lantz, Mrs. Loy Holmquist, Mrs. Margaret Lemmer, John Strawn, John Winterhouse, and Rick Stammerjohn.

☆ Moles are usually harmless growths, but can become cancerous. They should be watched for any change in size, shape, or color, the San Diego County Branch, American Cancer Society warns. Such a change calls for a visit to the doctor.

ENGAGED — Reverend and Mrs. Lewis E. Ginn, of 9801 Mariposa Street announce the engagement of their daughter, Miss Linda Kay Ginn, to Mr. Lloyd Wayne Duncan, of Augusta, Arkansas. Reverend Ginn is pastor of the Bancroft Baptist Church in Spring Valley. Miss Ginn is a senior at Grossmont High School. No date has been set for the wedding.

☆ A business genius is a man who knows the difference between being let in on a deal and taken in on one.

☆ A man may be worth two dollars a day from his neck down, but from his neck up—well, that's up to him.

# 'Farewell Night' For Rainbows This Week

Members of Lemon Grove's Rainbow Assembly for Girls will entertain outgoing officers of the organization at a "Farewell Night" party to he held this Thursday evening in the social hall of the Methodist Church. Celeste Loustalet and Aida Anderson are co-chairmen in charge of decorations, refreshments and presentation of a gift to Penny Estes, retiring Worthy Advisor.

Plans are being formulated for installation of newly elected officers in ceremonies to be held Saturday evening, February 1, at La Mesa Masonic Temple.

Recent initiates into the Assembly include Judy Austin, Maxine Boyle, Brenda Broadway, Janice Ladnier and Sherry Pappas.

## ED KOTERBA
### Reports from Washington

**PROBES FOR '58**

These will be the headline makers—the congressional investigations that should appeal to taxpayers this election year . . .

Already, groundwork is laid for a dozen major probes. Two will be continuing from 1957—The look-see into missiles, and questionable practices of labor and management.

Others: Housing—To see why slum clearance program has bogged down.

Foreign policies — John Foster Dulles, Secretary of State, will be taken over the coals on this one.

Pay TV—To determine whether viewers really need to pay for "better programs."

Auto prices — To determine whether prices of new cars are out of line.

Pentagon purchases — To find out why there is so much duplication in orders, and so little standardization.

**OPPENHEIMER'S STATUS**

Because of Russia's advancements in science, there'll be plenty of pressure by liberals to reinstate security clearance for scientist J. Robert Oppenheimer.

Oppenheimer has been barred from atomic work since 1954 when judged a security risk. One of the government's 24 findings in '54 showed that Oppenheimer contributed $150 a month to the Communist party in the 1940's.

Odds are that Oppenheimer will NOT be reinstated in secret government work . . .

**ZAROUBIN OUT**

In October this column was first to report that Georgi Zaroubin, Russia's ambassador to Washington, would be removed in January. Moscow confirmed the transfer on December 24, and Zaroubin leaves this month.

He'll be replaced by Mikhail Menshikov, Soviet ambassador in India . . .

**FARM ENEMIES**

These are the insects and diseases the Agriculture Department plans an all-out fight against this year:

The fire ant which is infesting more than 20 million acres in the southern states. (The fire ant is known to have killed humans.)

Soybean cyst nematode—found on 14,000 acres in six states last year.

Witchweed of corn which infested more than 1,700 farms in North and South Carolina.

**THREAT TO RUSSIA?**

Diplomatic observers here have come up with a new thought on Russia's stepped-up education programs.

They believe the education now being given youngsters may endanger Kremlin's type of rule.

As one observer put it: "Those students are learning how to think for themselves—a dangerous thing for a suppressed, brainwashed country . . ."

**SIMPSON FOR SENATE?**

There will be a scramble among Pennsylvania Republicans for the job of Sen. Ed Martin, retiring this year.

And the man believed by many influential Quaker State leaders to be most qualified says he doesn't want to run for it . . . That's Richard Simpson, non-Modern Republican from Pennsylvania's 21st district. Simpson likes it where he is . . . He stands near the top of the powerful tax-making House Ways and Means committee.

**MISCELLANY**

In the last five years, the Agriculture Dept. donated 6.5 billion pounds of surplus foods to persons here and abroad . . . Value: $1.6 billion.

**IRONY**

A few weeks after science experts testified before senators that Russia is working furiously on a project to "control" the weather, our government disbanded its weather advisory commission.

**WHAT'S FREE?**

The Agriculture Dept.'s 1957 yearbook, a bound volume titled, "Soil." If obtained from Government Printing Office, it would cost you $2.25. Free if you write your congressman, Washington 25, D. C.

**TIME FOR PRUNING ROSES**

It's nearly time to prune your roses. And immediately afterward to give them a clean-up spray with a lime-sulphur oil emulsion. Spray the soil area surrounding each bush also. That is highly important.

**WHAT TO DO TO SOIL**

After you've sprayed, you will help your Roses greatly if you embed a little agricultural sulphur in your rose bed (about 2 pounds to every 100 square feet). Don't get the sulphur too close to the base of the bush and work it lightly into the soil. I always use a long handled pronged fork so that I won't disturb the tender fiber roots. Afterward, I use a little iron copperous ferrous (snow form), scattering it on top of the soil (1½ pounds to 100 square feet). This type of iron sulphate is very safe.

**NEXT STEP TO TAKE**

And then the next task is giving your roses humus. I will discuss this subject as well as fertilizing in my column next week.

## Topworking Helps Avocado Production

Grafting, or topworking, poor varieties to a better producing variety is good business, according to Univerity of California Farm Bureau. Propagation of avocado trees for commercial production is a process requiring attention to detail and extreme care at each step. Now is the time to prepare for any grafting operation to be done in orchards during the coming months. Success in grafting depends upon three main factors: (1) proper selection of budwood, (2) proper contact between the stock and graftwood ,and (3) the careful work of the grafter.

In San Diego County, the Hass are the most desirable varieties. When a tree is topworked the owner can expect the new tree to produce in about two years. During this period, there is less need for water and fertilizer. Because of the present water shortage, this is a good time to have grafting done.

The avocado is a tree sensitive to weather and soil condition and susceptible to certain pests, but the careful grower can successfully propagate trees with minimum trouble by following certain procedures. To help growers to do their own propagation work, a new publication is available. The pamphlet covers selection of seed, planting the seed, care of the seedbed, digging the seedling and care of the nursery. Information is given on budding, selecting buds and the different budding methods. A section on topworking includes reasons for topworking, time for topworking, types of grafts to use and the follow-up care. This bulletin may be obtained at the Farm Advisor's Office, Bldg. 1, 4005 Rosecrans Street, San Diego 10.

## Props and Costumes Needed For Mt. Miguel Theatre

Can you imagine a theatre group trying to put on a play without costumes or "props"?

Well, the drama classes at Mt. Miguel High School, under the tutorship and direction of Mrs. Jean Temp are just about in that predicament.

They have started rehearsals for their first play, which will be "I Remember Mama" and is scheduled to be presented March 7-8, in the school auditorium.

Mrs. Temp and her aspiring young actors and actresses have worked hard that they may get their first play off with a "bang". They have unpacked the few costumes that have arrived in boxes, catalogued them on cards and stored them in the dressing rooms.

But a peek in these dressing rooms will show you that the supply of costumes is at a low figure. For not only do they have insufficient costumes for "I Remember Mama", but other plays will be popping up from time to time. Several more are scheduled for the near future.

So Mrs. Temp and her classes are sending out an S.O.S. (short of supplies) to the entire area. They need old clothing for both men and women, primarily for the early 1900 era and during the 1890's. A few of the articles mentioned were: high button shoes, old large hats (including men's bowlers), middy blouses, collarless shirts, stiff collars, capes, cloakes and shawls, even bustles and other additions. Old curtains and sheets will be welcomed, as they may be made into parts of costumes.

As for props; any old carpets, hall runners or carpet pads will be welcomed. Old fashioned furniture is needed desperately, particularly a Victorian sofa. An old fashiond wash stand, with the pitcher and bowl is needed, and an old fashioned small wood stove.

Mrs. Temp said if any of the foregoing articles are available, she would like to have them donated or borrowed.

Help of the women of the area is also needed. You don't have to be the mother of a Mt. Miguel student . . . just have the urge to help. This help is needed especially for sewing and assembling costumes and make up of the cast just prior to the presentations. You don't have to be a make-up artist to take part. If you want to help and are in doubt, Mrs. Temp will show you the trick of the trade.

So if you want to see the Mt. Miguel theatre group get off to a good start, volunteer to help them. Call Mrs. Jean Temp at the Mt. Miguel High School during the day; HO 3-5551, or at home, during the evening; GA 2-7029.

## Girl Scouts Set Cookie Sale Date

The annual cookie sale conducted by Girl Scouts to provide funds for development of camp sites will start February 8.

There are 21,000 registered girl members of the Girl Scout Council who will aid in the project.

The Girl Scout Council is a Red Feather Service and is carrying on the cookie sale with the full approval of the Community Chest.

Red Feather, from which Girl Scouts obtain funds, said that sale of merchandise, such as the cookie event, was not considered a contributions solicitation event.

# 2nd Aqueduct Work Started

Ground breaking ceremonies were held for the beginning of the second aqueduct recently near Escondido when 150 interested persons saw Fred Heilbron, chairman of the County Water Authority turn a shovelful of earth almost exactly six months after voters approved the $35 million second barrel bond issue.

The first link which starts near the San Diego County boundary line will be 11 miles long and the contract went to Young and Anderson of Los Angeles on a bid of $6,366,278.

The second link, 18 miles long, will be ready for bid opening in October and completion of the project is scheduled for mid 1960.

The second aqueduct enters the county through Rainbow Pass and continues southerly crossing Dan Dieguito River west of Hodges Dam. It then continues to Lake Murray crossing East San Diego and continues south on the west side of Sweetwater Dam with Otay Reservoir as a southern terminal. The new aqueduct will have capacity to deliver 185,000 acre feet of water as compared to the 140,000 acre feet of water that is now received annually through the 2 barrels of the 1st aqueduct. During the past year the demand for water to San Diego County exceeded 220,000 acre feet, part of which was taken fro mexisting storage or pumped from wells.

## HID Adds SV Collection Station

The Helix Irrigation District recently established a new collection agency for water bills at the Valley Pharmacy, 4003 Citradora (corner of Campo Rd. and Citradora) in Spring Valley. Water bills may be paid at collection agencies from the 1st to the 15th of the month only. All payments after the 15th of the month must be made at the District office at 8111 University Avenue in La Mesa.

**COMPLAINERS ALL WET**

HID received several complaints about district employes wasting water on the job recently. The complaints referred to the practice of cleaning out "dead-end" pipes each month. It is necessary to allow water to run full force out of the "dead-end" pipes at regular intervals in order to clean out inferior quality water and silt in the system. Water is allowed to run for the minimum time necessary to clean out a pipe (usually only five minutes) and this improves the quality of the water reaching the consumers' homes.

## Mt. Helix Council Gives PTIC Diplomas

Time and place of eight meetings and conferences were announced at the Mt. Helix Council meeting held recently at Fletcher Hills School.

Certificates of completion of the Parent-Teacher Information Course were presented to Mrs. William Howerton, president; Mrs. Melvin C. Okrusch, 1st vice-president; and Mrs. Harold A. Woodard, budget and finance chairman of Northmont P-TA; president Mrs. Donald Burnworth of Monterey Heights P-TA; corresponding secretary Mrs. J. M. McKee of Spring Valley P-TA and president Mrs. Fred Poirier of Casa de Oro P-TA.

## Lloyd Anderson Serving In Korea

7th Div., Korea (Spcl.)—Pfc. Lloyd C. Anderson, 24, son of Mr. and Mrs. Mongus C. Anderson, 7070 Broadway, Lemon Grove, is a member of the 7th Infantry Division in Korea.

A truck driver in Company D of the division's 31st Infantry, Anderson entered the Army in November 1956. He completed basic training at Fort Ord, Calif., and arrived in the Far East last April.

A 1952 graduate of Sunnyside (Wash.) High School, Anderson was employed by the Golden Arrow Dairy in San Diego before entering the Army.

# LOMITA VILLAGE NOTES

by Edna Rice — HO 9-6832

St. Margaret Mary's Sodality met Tuesday night at the home of their vice-president, Mrs. Ray Hensell, at 714 Bonsall Street.

◇ LOMITA VILLAGE ◇

Dr. Geddis reports that starting this week the sixth grade pupils of Audubon Elementary School will begin the "Growing Up" series of social hygiene lessons, consistingof reading, discussion, and movies, with emphasis on the social responsibilities of the individual. A preview of the series was recently held for the parents.

Sixth graders and their parents attended a meeting last Friday to review the camp program, in anticipation of the week of Jan. 27-31, when the sixth grade pupils will stay at Camp Cuyamaca. The speaker was Mr. Ed Pumala, director of the City-County Camp Commission.

◇ LOMITA VILLAGE ◇

Lomita Village welcomes another new resident. Robert Leonard, weight 6 pounds 1 ounce, was born Jan. 2nd at Mercy Hospital to Mr. and Mrs. Robert Drury of 8104 San Vicente Street. Mrs. Drury is president of St. Margaret Mary's Sodality.

◇ LOMITA VILLAGE ◇

Parents, your Audubon P-TA is starting 1958 with a bang-up program for its first meeting of the year, Tuesday, January 21st, in the school auditorium. The pot-luck dinner starts at 6:30. Come and get acquainted over the coffee cups. Mr. Donald Mulvihill is Chairman for the meeting that follows. P-TA has worked hard to get some extra special attractions for you. The main topic for discussion will be: "The Strength of P-TA: Father is a Parent, Too," followed by the film, "Camping at Cuyamaca," exhibited by Mr. McGillivray. This is very timely, for the Audubon sixth graders will spend the week of Jan. 27-31 at Camp Cuyamaca. This is a regular part of the sixth grade program of social studies for the City of San Diego. For months, the youngsters have been looking forward to this opportunity. They have earned at least part of the expense money.

Lt. Commander Geldenrath will then give a demonstration of pressure suits. This is of great interest to all of us, particularly at this time. Following the pressure suit demonstration, there will be a discussion on child care.

Parents, do you know your P-TA officers? They are a group of dedicated, hard-working women. Do you actively support your P-TA? Come and meet your officers. They are: Mrs. James Smelzer, president; Mrs. George Rogers, vice-president; Mrs. D. W. Ridenour, program chairman; Mrs. R. E. Lovelace, publicity chairman.

Do you know that Audubon Elementary is rated one of the best schools in San Diego City and County, and that Dr. Terence Geddis is considered one of our most able Southern California educators? Take this from an ex-school marm. How long is it since you have visited school? Do you read children's school paper, The Audubon Oriole? It's amazingly good. The editors are Vivian Fairburn and Joe Abbate.

◇ LOMITA VILLAGE ◇

Lomita Village cordially welcomes a new resident, Richard Dale, born to Mr. and Mrs. Robert Baucom of 544 Encinitas Avenue, at Grossmont Hospital on Dec. 30.

◇ LOMITA VILLAGE ◇

The Audubon Stepperettes, those pretty little baton twirlers in the 9-14 age group, have recently acquired a new leader and president in the person of Miss Mary Lou Tucker of La Mesa. Mary Lou is a student at Helix High. The Audubon Stepperettes, who organized on Oct. 13, 1957, are currently being fitted for new uniforms of gold and brown, trimmed with silver sequins. They recently held two bake sales, to help defray the cost of uniforms.

The officers of the club are:

Miss Mary Lou Tucker, president; Mrs. Jillard, vice-president; Mrs. Cutler, secretary, Mrs. Robert F. Henderson, treasurer; Mrs. Ames and Mrs. Heredia, social directors and Mrs. Minter, telephone committee.

◇ LOMITA VILLAGE ◇

This past week was Good Neighbor Week, and part of being a good neighbor is rejoicing over a neighbor's good fortune. The residents at the south end of Cardiff Street are celebrating the promotion of Sgt. Robert H. Conroy, 312 Cardiff Street to Staff Sergeant. Bob is a Drill Instructor at the Marine Corps Recruit Depot. He is the type of D. I. that has helped build up the wonderful tradition of the Corps. Bob is a veteran of World War II, having spent 29 months of combat duty on Guam and Bougainville, and was awarded the Navy Letter of Commendation with a Combat V. He is a member of La Mesa Post 8514, Veterans of Foreign Wars.

◇ LOMITA VILLAGE ◇

And still speaking of good neighbors, there are more good neighbors in the Village than most of us realize. Like the little elves of the fables and fairy tales that work in secret for the good of man, so do the men who belong to St. Rita's Legion of Mary perform their many kind deeds and errands of mercy in Lomita Vilage. They are as well and as efficiently organized as Caesar's Roman legions of old, and they are just as anonymous as the members of Alcoholics Anonymous on a "twelfth step" call. If you see someone in a hurry, tearing through the streets of Lomita Village at night, you may very well be seeing a member of the Legion of Mary on an emergency call, or a members of Alcoholics Anonymous, likewise bent on an errand of mercy. May God bless them both for the wonderful work they are doing!

◇ LOMITA VILLAGE ◇

The Nil Nomen ladies, too, have a worthy project close to their hearts—help for the Santa Isabel Reservation Indians, who, contrary to common belief, are far from prosperous, most of their land being beneath the contempt of even a mountain goat. The Nil Nomens will journey soon to Hollywood to participate in the television program, "It Had To Be You." These ladies will ask for a deep freeze for the Santa Isabel Indians. The population of the Santa Isabel Reservation is one thousand persons. There is no electricity on the reservation, so inhabitants cannot keep adequate stores of fresh food. Their diet lacks fresh meat. The only electric generator and refrigerator is in the rectory. The parish priest, Father Gino, who, incidentally, has ten reservations under his pastoral care, shares the 30 or 40 pound freezing compartment of his refrigerator with one thousand Indians! A deep freeze would help improve their frugal diet. This would presumably be hooked up to the rectory generator. Even so, one deep freeze for several hundred people! Can any kind soul donate a used deep freeze?

The Nil Nomens would be very grateful for any gifts of food staples, clothing, bedding, beds, shoes, etc. Please leave any donations with Mrs. R. E. Lovelace, 552 Encinitas Avenue.

◇ LOMITA VILLAGE ◇

The Nil Nomen ladies held a surprise stork shower recently for their president, Mrs. Frank Kelleher, at her home on 715 Bonsall St. Mr. and Mrs. Kelleher's little boy, Stephen Gerard, was born Jan. 2nd at Grossmont Hospital. They have two girls also.

◇ LOMITA VILLAGE ◇

A large delegation of Young People from the Monterey Heights Baptist Church attended a skating party at the Palisades on University Ave. recently. This was a skating party for all the Baptist Young People in the area.

◇ LOMITA VILLAGE ◇

Mr. and Mrs. M. L. Lackey of Bakersfield visited their daughter and husband, Mr. and Mrs. Archie Hawkins, at their home at 1661 Drexel, Monterey Heights. Mr. and Mrs. Hawkins have just announced the engagement of their daughter, Barbara, to Lynn Warden, of 1844 Englewood, Monterey Heights. Mr. Warden has just received his discharge from the Air Force. The young couple are planning a church wedding on April 5th.

◇ LOMITA VILLAGE ◇

Mrs. Dell Dickinson of 343 Sawtelle Avenue, Girl Scout District Chairman, annouces that the annual Girl Scout Cookie Sale will be held Feb. 8 to 22nd. This annual cookie sale is the only fund-raising activity on council level allowed by Scout regulations during the entire year. So please, everybody, let's buy lots of cookies. The proceeds are used to finance the Girl Scout Camps in the Cuyamacas; there are three camps, for different age groups. There are very many underprivileged girls, as well as others, who benefit from these camps.

◇ LOMITA VILLAGE ◇

We are glad to see traffic signs have recently been put up on Cardiff Street. Too many non-residents of Lomita Village are prone to use Cardiff as a speedway. The residents wish to keep it safe for life and limb, for themselves, their children and their pets.

HAWAII BECKONS — A California orange and Hawaiian pineapple get Pauline Dahlseid, 18, in mood for Southland contest now starting to pick queen for 1958 National Orange Show, April 10-20, in San Bernardino. Winner gets "California Orange Queen" title and free flight to Honolulu via Transocean Air Line Super H Constellation with week's stay in famed Hawaiian Village Hotel on Waikiki Beach.

There is understandably, a temptation to speed, for Cardiff Street, wide as a Paris boulevard, presents a long, unbroken stretch without traffic lights. Cardiff was on the major street plan when the only residents of the Village were the jack-rabbits.

◇ LOMITA VILLAGE ◇

We have a million dollar view from Cardiff Street and other border areas of Lomita Village. These lots are worthy of $50,000 homes. What have you done to beautify your street? Have you planted a tree in your front yard since you moved into the Village? Your reporter planted a red-flower eucalyptus, a jacaranada and a Brazilian pepper tree several years ago. The first two have already bloomed, and right now the birds are having a feast on the pepper berries. If everybody on Cardiff Street planted a red-flowering eucalyptus in the front yard, in a few years' time Cardiff would be a spectacular, flaming mass of color during the summer monts. January is the best planting month of the year. Let's get busy with our shovels!

St. Margaret Mary's Sodality held their annual election of officers last week at the home of Mrs. Ray Hensell, 714 Bonsall Street. The officers elected for the coming year are:

Mrs. Ray Hensell, president; Mrs. Thomas Glenn, vice-president; Mrs. Margaret Beemis, secretary; Mrs. Lee Bruce, treasurer.

And don't forget to feed the birds now, unless you have berry-bearing tree or bushes. You should watch the birds stripping your reporter's cottoneaster bushes of berries.

# The Dimmer VIEW

(Continued)

He has said that is is usual for an established business community to become highly concerned when a large shopping center is planned nearby but he said that historically, the established business community prospers as it never prospered before after the impact of the opening of the shopping center.

He then made this remarkable offer. "If your business is sound, and you're afraid, I'll buy your business, he said.

No one can accuse Scott of saying anything he won't back up. He meant what he said.

This, I though, was a pretty high tribute to pay to the business future of this community. He was saying, in effect, that people will continue to buy goods and services from us if our service is good and our prices fair. He was also saying that most of us put too low a value on our own business ability.

---

I suppose I serve (unofficially) on more committees in this area than any other guy I know (P-TA workers, excepted), so it wasn't much of a surprise when they rousted me out of the office early one morning last week to act as one of the judges in the San Miguel bicycle safety tests.

My function was to see that the bike riders executed a circle between six sets of wooden blocks. The blocks were awful close together and the circle was so small riders almost touched their own back ends. The bike drivers were third to sixth graders and more than 170 turned out for the tests.

The tests were run off under the sponsorship of the San Miguel P-TA but other schools will be doing the same thing as the year progresses. Mrs. H. L. Pace is the San Miguel P-TA Safety chairman. Teacher J. James Grandjean put the youngsters through a training period for several weeks, and I am ready to admit the kids were good.

Some of them were so anxious to pass and were so tense that they quivered visibly. I put my hand on the shoulder of some of the nervous ones and made a noise like a papa and they simmered down.

I am proud to state that every one of the 170 passed the part of the test over which I presided even though I had to put some of them through the paces two or three times.

---

Judy Peterson, of 6906 Mt. Vernon, sat with us for a half-hour or so last week to ask that we tell riends and acquaintances of Mrs. Roxy Cronquist of her dilemma. Mrs. Cronquist needs blood! She needs 15 to 20 pints of it. Mrs. Peterson said that the 74-year-old Mrs. Cronquist, a former school teacher, had taught scores of youngsters to play the piano and they would be saddened to learn of her difficulties.

I confirmed the information with Albert Cronquist, her husband, a Swede who came to Lemon Grove 17 year ago. He said that she had recently spent 9 months in the hospital for an operation on her spine and that the family larder was depleted. She is having a similar operation again this week at Grossmont Hospital and she will never walk again, he said.

A sad predicament for a grand lady who spent so many of her years giving to others.

# LAW IN ACTION

**EXECUTIVE CLEMENCY**

Suppose a jury has found a person guilty of a crime like first degree murder, the judge has sentenced him to death, and the California Supreme Court has heard his appeal but upheld his conviction. Then he or she must die — unless the Governor grants "executive clemency."

What is "executive clemency"? It may be a pardon, a reprieve, or a commutation of the death sentence to one of life in prison.

Here is how the Governor goes about making up his mind: He gets a word-for-word transcript of the trial and a copy of the opinion or opinions of the California Supreme Court. He has the Adult Authority gather all facts about the convicted person—his full record, and the reports on him by doctors, sociologists, court and prison psychiatrists, psychologists, his chaplain, his warden and others.

The Governor receives a written record of interviews by a representative of the State Bureau of Criminal Identification and Investigation with those connected with the trial—the judge, the arresting officers, the chief of police or sheriff, the prosecuting attorney, the defense lawyer, and others. From these the Governor may also get written recommendations.

From the Attorney General's office the Governor receives a legal summary of the case, reporting on all actions before State c[illegible] courts.

But with all this the Governor must seek to answer a grave question, often amid public clamor:

Is there anything in the condemned person's record or in related circumstances compelling enough to warrant the Governor's interference with the court's decision that this man or woman must die?

In 1833 Chief Justice Marshall traced executive clemency to English law and the king's power, calling it a private but official act of grace "which comes from the power entrusted with the execution of the laws." For it to be complete the person to whom it is offered must accept it.

But in 1927 the U. S. Supreme Court changed its idea of grace and acceptance. A prisoner had refused the President's offer to commute a death sentence to one of life imprisonment. The Court said: "A pardon . . . is not a private act of grace (of the executive), but it is a part of the Constitutional scheme. . . . It is the determination of the ultimate authority that the public welfare will be better served by inflicting less than what the judgment fixed."

*Ne[illegible] this column so you may know about our laws.*

# Four School Sites Sought

The land upon which the Maryland Avenue Elementary School will soon be built, is the last unoccupied site owned by the La Mesa-Spring Valley School District, Dr. Ted Dixon, associate superintendent said last week.

In a report given to the Board of Education recently, he described locations of three elementary and one junior high school site for which negotiations are currently in process.

The sites are: an elementary site of approximately 10 acres, in Fletcher Hills, north of Katherine Road; a junior high site of approximately 25 acres, adjacent to Fletcher Parkway, between Severin Manor and Murray Manor; an elementary site, approximately 10 acres, north of the intersection of Baltimore Drive and Lake Murray Drive, east of Lake Murray reservoir; an elementary site, approximately 10 acres, north of Jamacha Road, near Sweetwater, south of the Mt. Miguel High School, in South Spring Valley.

Dr. Dixon reported that the District is negotating for approximately 2 acres adjacent to La Mesa Dale, with a view toward bringing that site nearer to the District's average of 10 acres for an elementary school. In the cases listed above, it is the District's hope to buy the sites as quickly as possible to avoid increased prices at a later date, and to avoid the need to condemn occupied property.

Construction of these sites will be scheduled according to the rate and location of enrollment growth and availability of funds. It was previously reported that growth is expected at a rate of about 700 students per year.

Approvals by the Board of Education were given last Monday night for the working drawings of the following projects: Casa de Oro additions, Maryland Avenue initial unit, Bancroft portables, and Northmont portables and multi-purpose room. The recently concluded house-count shows the district to have sufficient square footage eligibility for the Northmont multi-purpose room. The Allocations Board's approval, however, will be dependent upon a priority formula recently established for one of the remaining state funds.

---

☆ Imports worth $12,748,842, amounting to 47,892 tons crossed the piers of the Port of San Diego during Fiscal 1957.

# DIRECTORY WARNING ISSUED

This newspaper is again publishing its annual directory. We have chosen Mrs. Elizabeth Seymour, a Spring Valley writer of note, to collate the material for us. She is in the process of doing this presently.

As a warning to supporters of the directory, should anyone other than Mrs. Seymour claim to be working on this project, they are misrepresenting the facts.

The directory, titled the Homeland Diretcor, covers the Lemon Grove, Casa de Oro, Spring Valley and Homelands area. For further information call Mrs. Williams at HO 9-0101.

---

## Brother Of Local Folk Dies

The brother of two local residents died January 15 at his home in National City. The man is Richard Rose, 27, who had been discharged from the Long Beach Naval Hospital the day before. Rose was wounded in Korea in 1951 and was in and out of service hospitals ever since. He retired from the service in 1953.

Local relatives are his sister, Mrs. John L. Presley, of 8129 Jefferson, and Robert R. Rose, also of Lemon Grove. Another sister, Mrs. Alice Morgan, lives in Dulzura.

Also surviving Rose is his wife Corrine.

---

## L.G. W.C. To Hear Vocal Group

A choral group of the Lemon Grove Juniors will make up part of the program of the Lemon Grove Woman's Club Friday. The group is under the direction of Mrs. Ramona Jenkins and Mrs. G. A. Turner is accompanist.

---

☆ Marine Corps Brigadier General Henry L. Larsen became the first military governor of American Samoa on Jan. 15, 1942.

## Kenneth Olson Named President Of L.G. Lutheran Church Officers

The following persons were named officers for 1958 of the Lemon Grove Lutheran Church:

Kenneth Olson, president; Ben Duea, vice president; Richard Rector, secretary; Ray Granstedt, treasurer; Edward Stoehr, assistant treasurer; Levi Selvig, building co-ordinator; Enoch Scotvold, delegate to national convention; J. Wokuluk and J. Kaiser, auditing committee; Virgil Duea, Eric Peterson, and Levi Selvig, nominating committee.

The following were elected for three year terms; Howard Swanstrom, deacon; G. E. Meneley and Homer Frost, trustees; Mrs. Buernice Hoberg, board of parish education.

The congregation also voted to continue the evangelism program set up by the Nation Lutheran churches.

During the absence of Pastor H. C. Bakken next Sunday, Enoch Scotvold will speak at both services.

Pastor Bakken will be conducting a Bible conference at the Lutheran Church of Our Savior's at San Clemente, California beginning on January 26 through January 30.

---

**GROVE GIRL RUNNER-UP IN VISION ESSAY COMPETITION**

A Helix High School sophomore took second prize in the San Diego Optometric Society's annual essay contest, is was announced by Dr. Calvin Nicholl, Lemon Grove optometrist.

The girls is Sandra Sue Shipe, 15 years old, of 4081 Violet Street, Vista La Mesa. She did an essay titled "Take Care."

The Society sponsors a poster and essay contest each year under the slogan of "Safer Driving With Better Vision."
